Presenting . . .

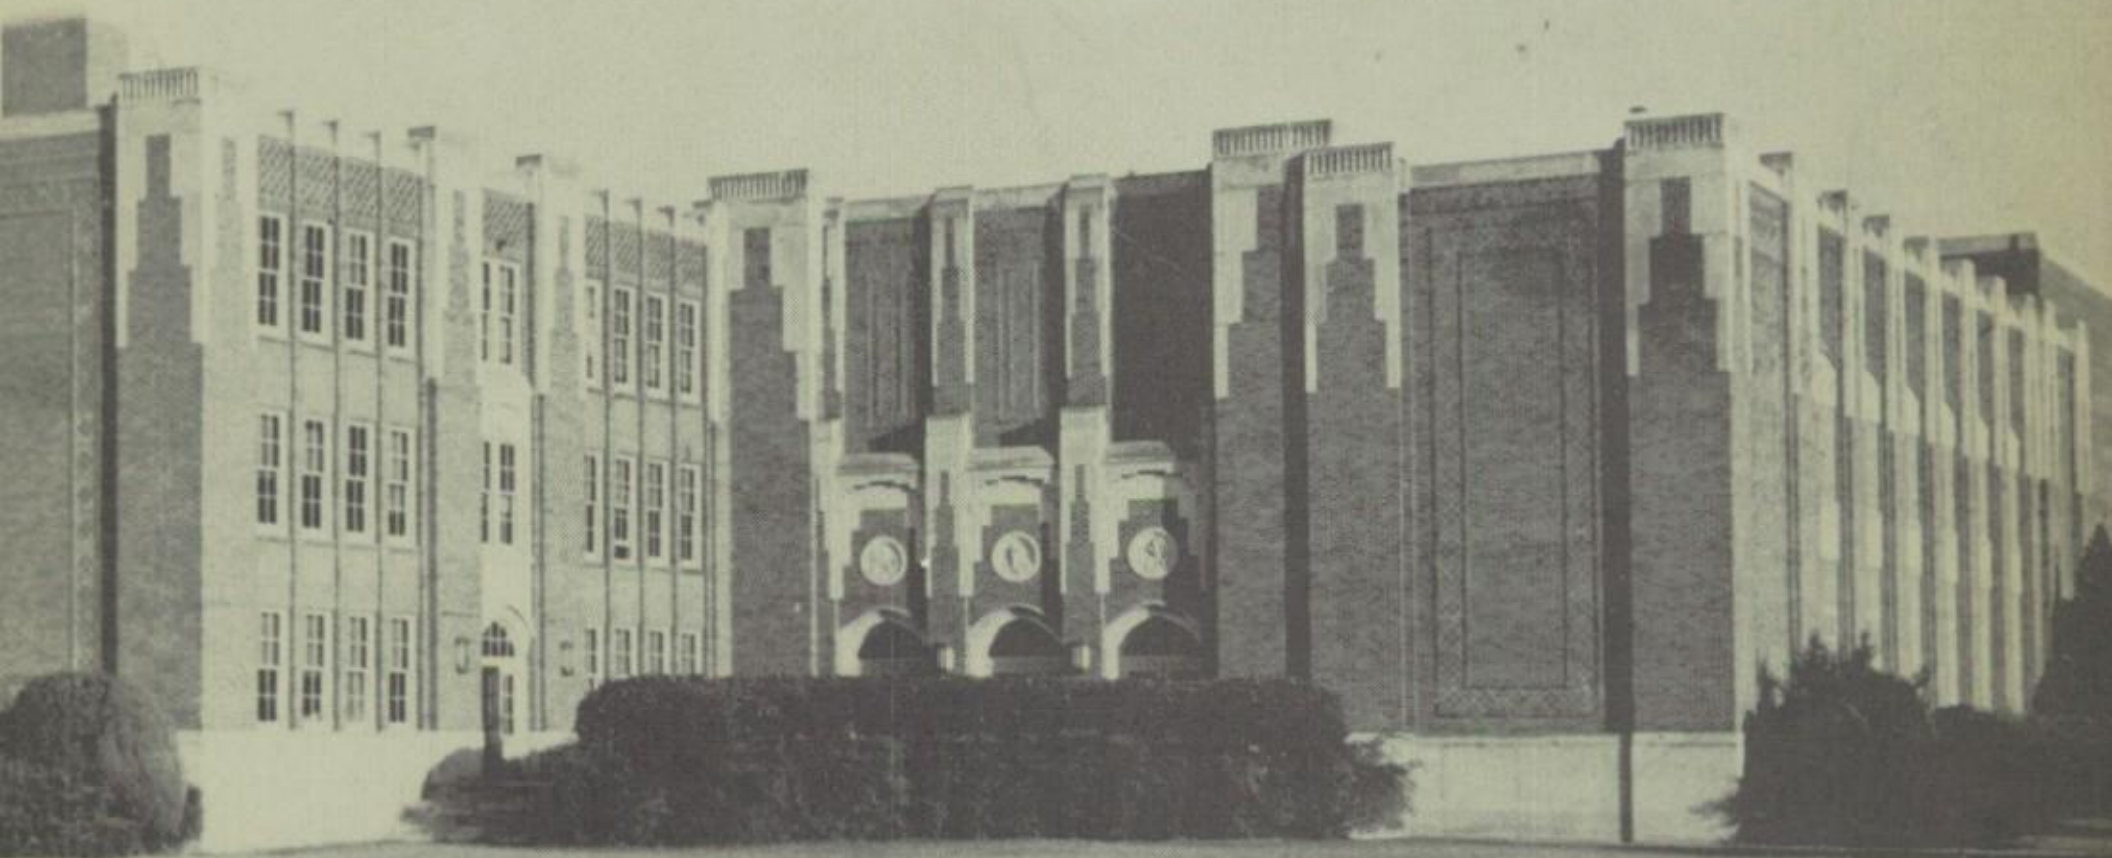

*The
Monroeyan
for 1954*

NEVILLE HIGH SCHOOL
MONROE, LOUISIANA

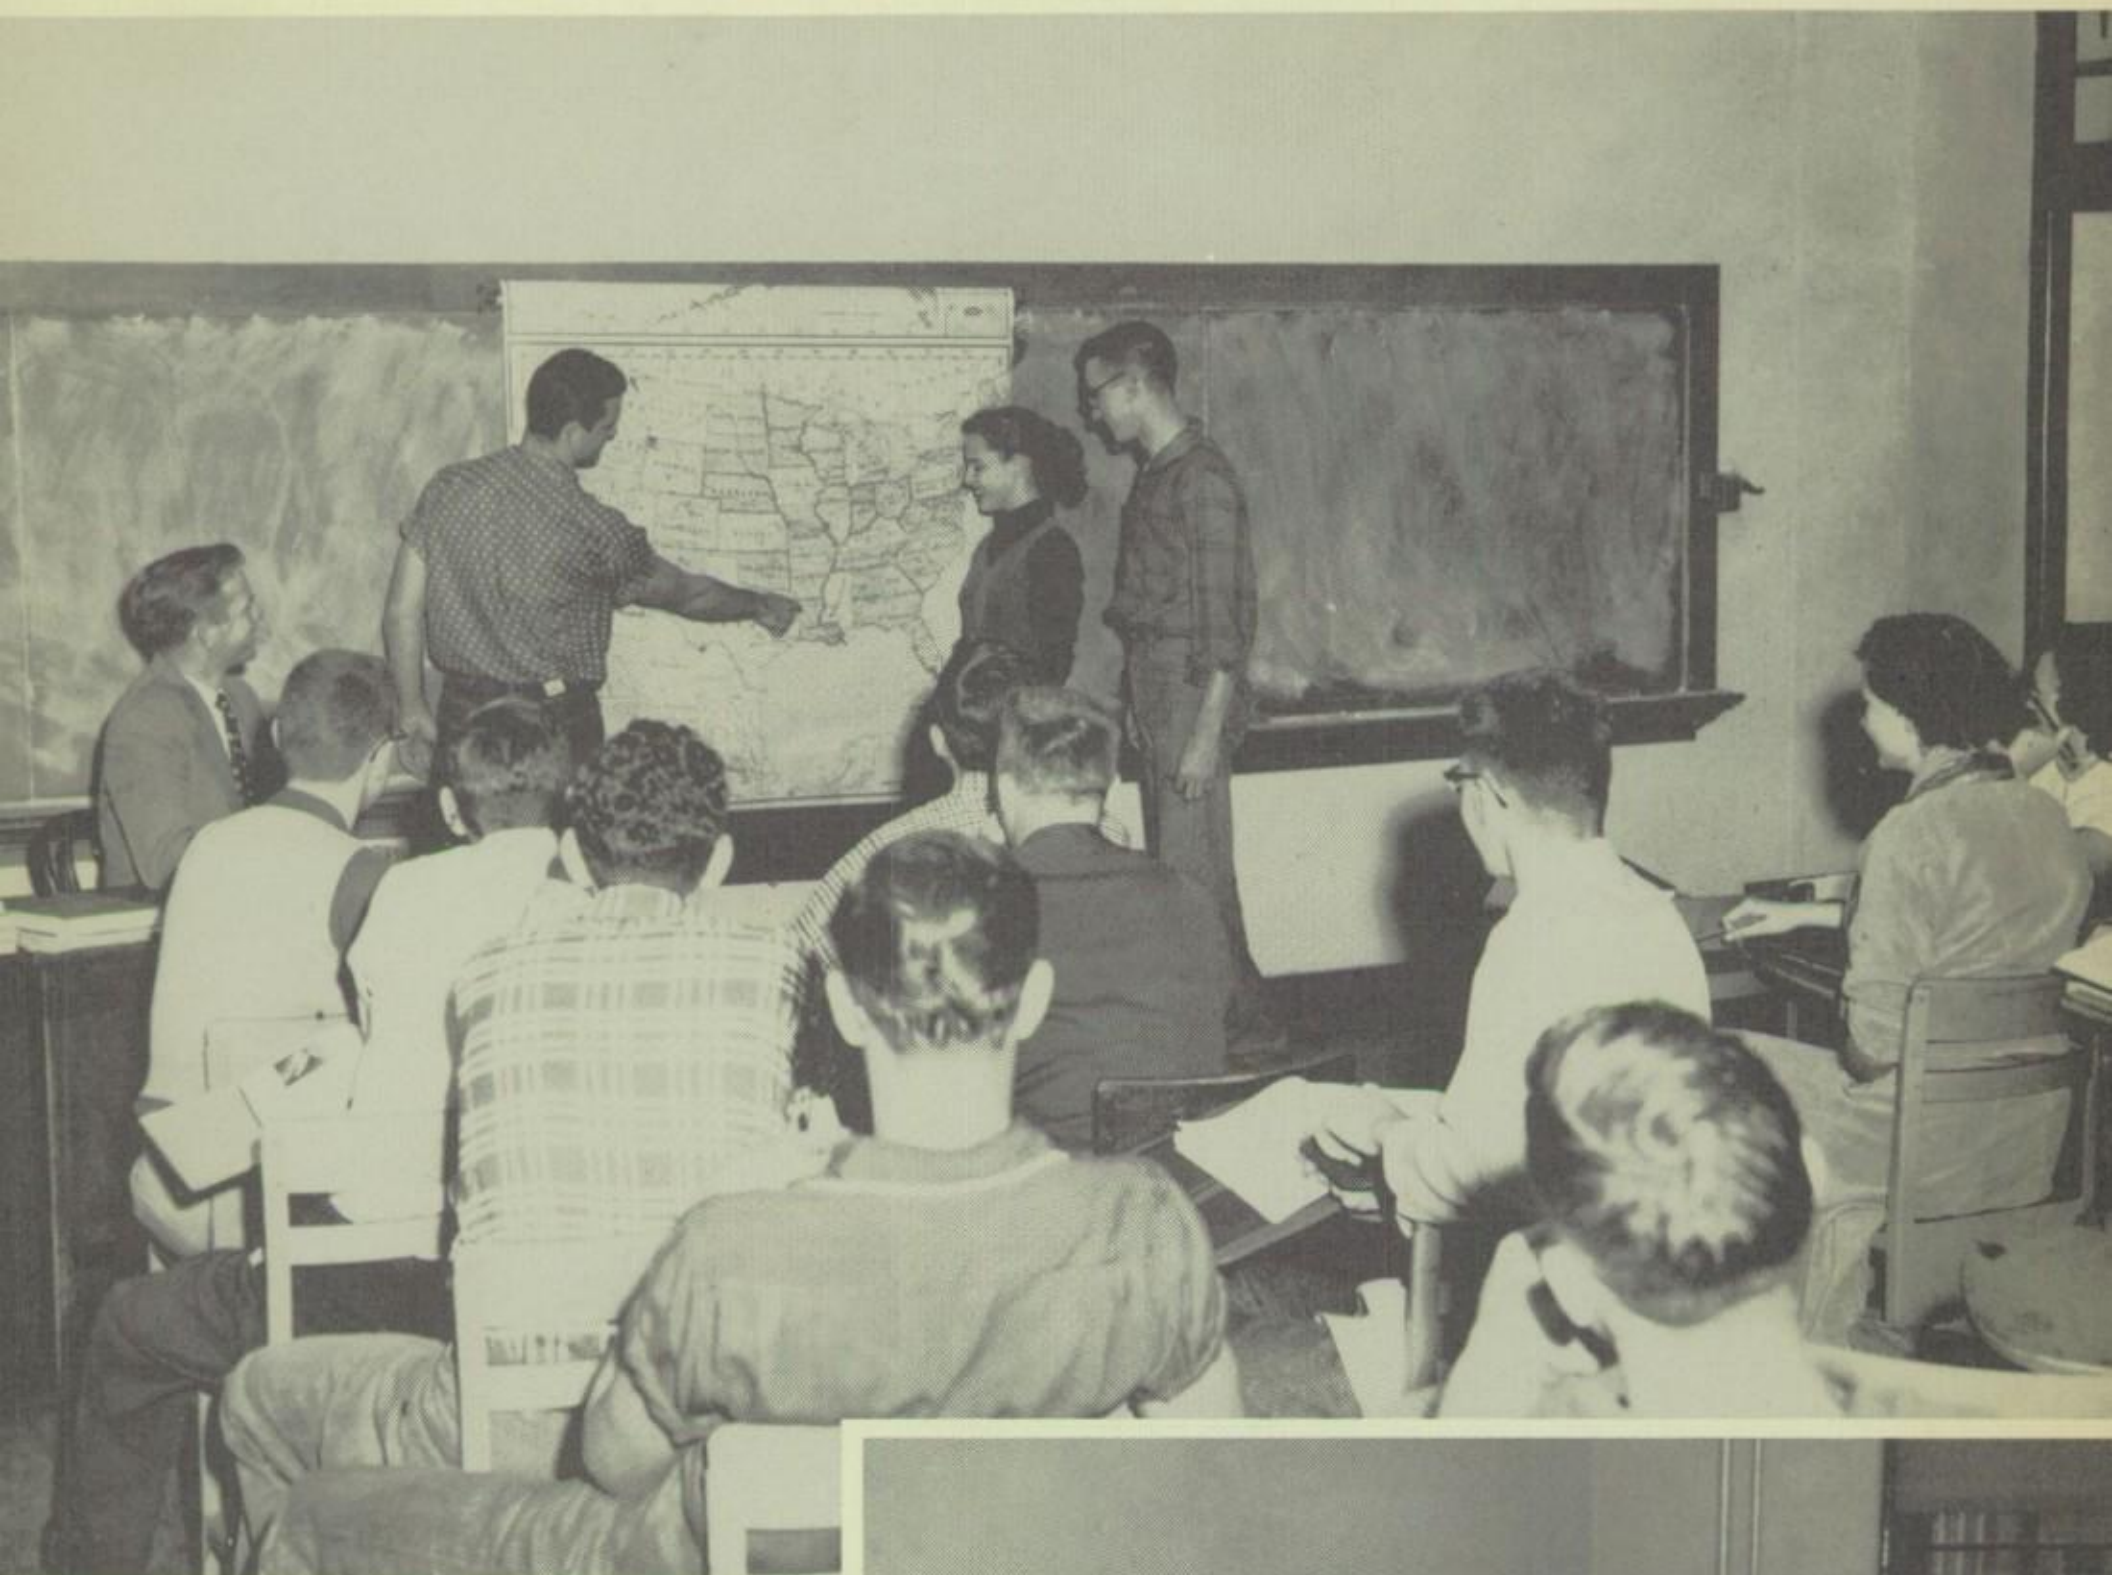

Our

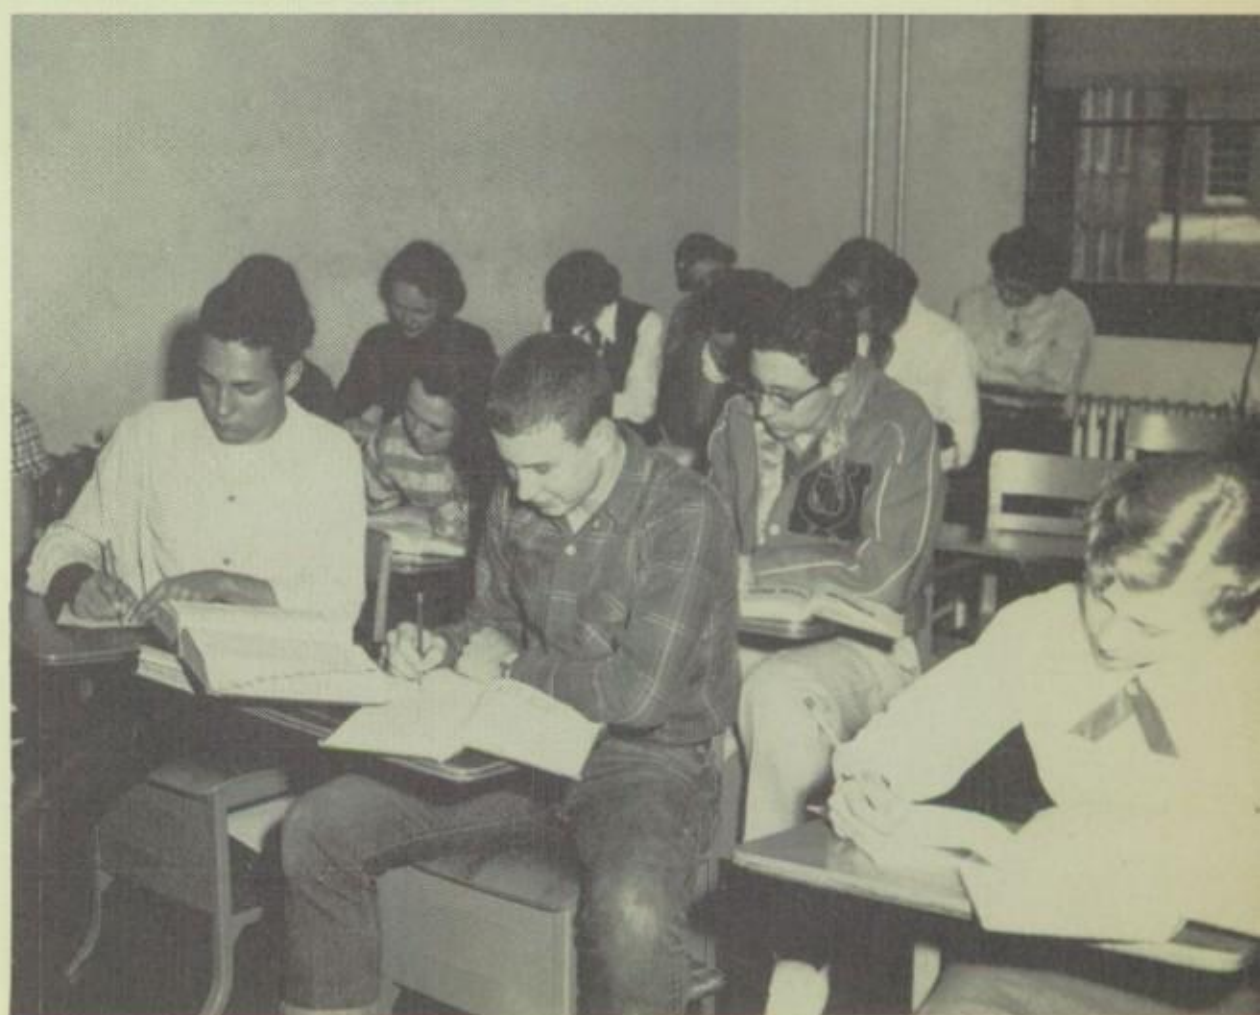

Campus . . .

Social Studies

AMERICAN HISTORY is being taught in the top picture with William McDowell as the instructor. Mr. McDowell, one of the newest additions to the history faculty, is a great asset to the Neville history department.

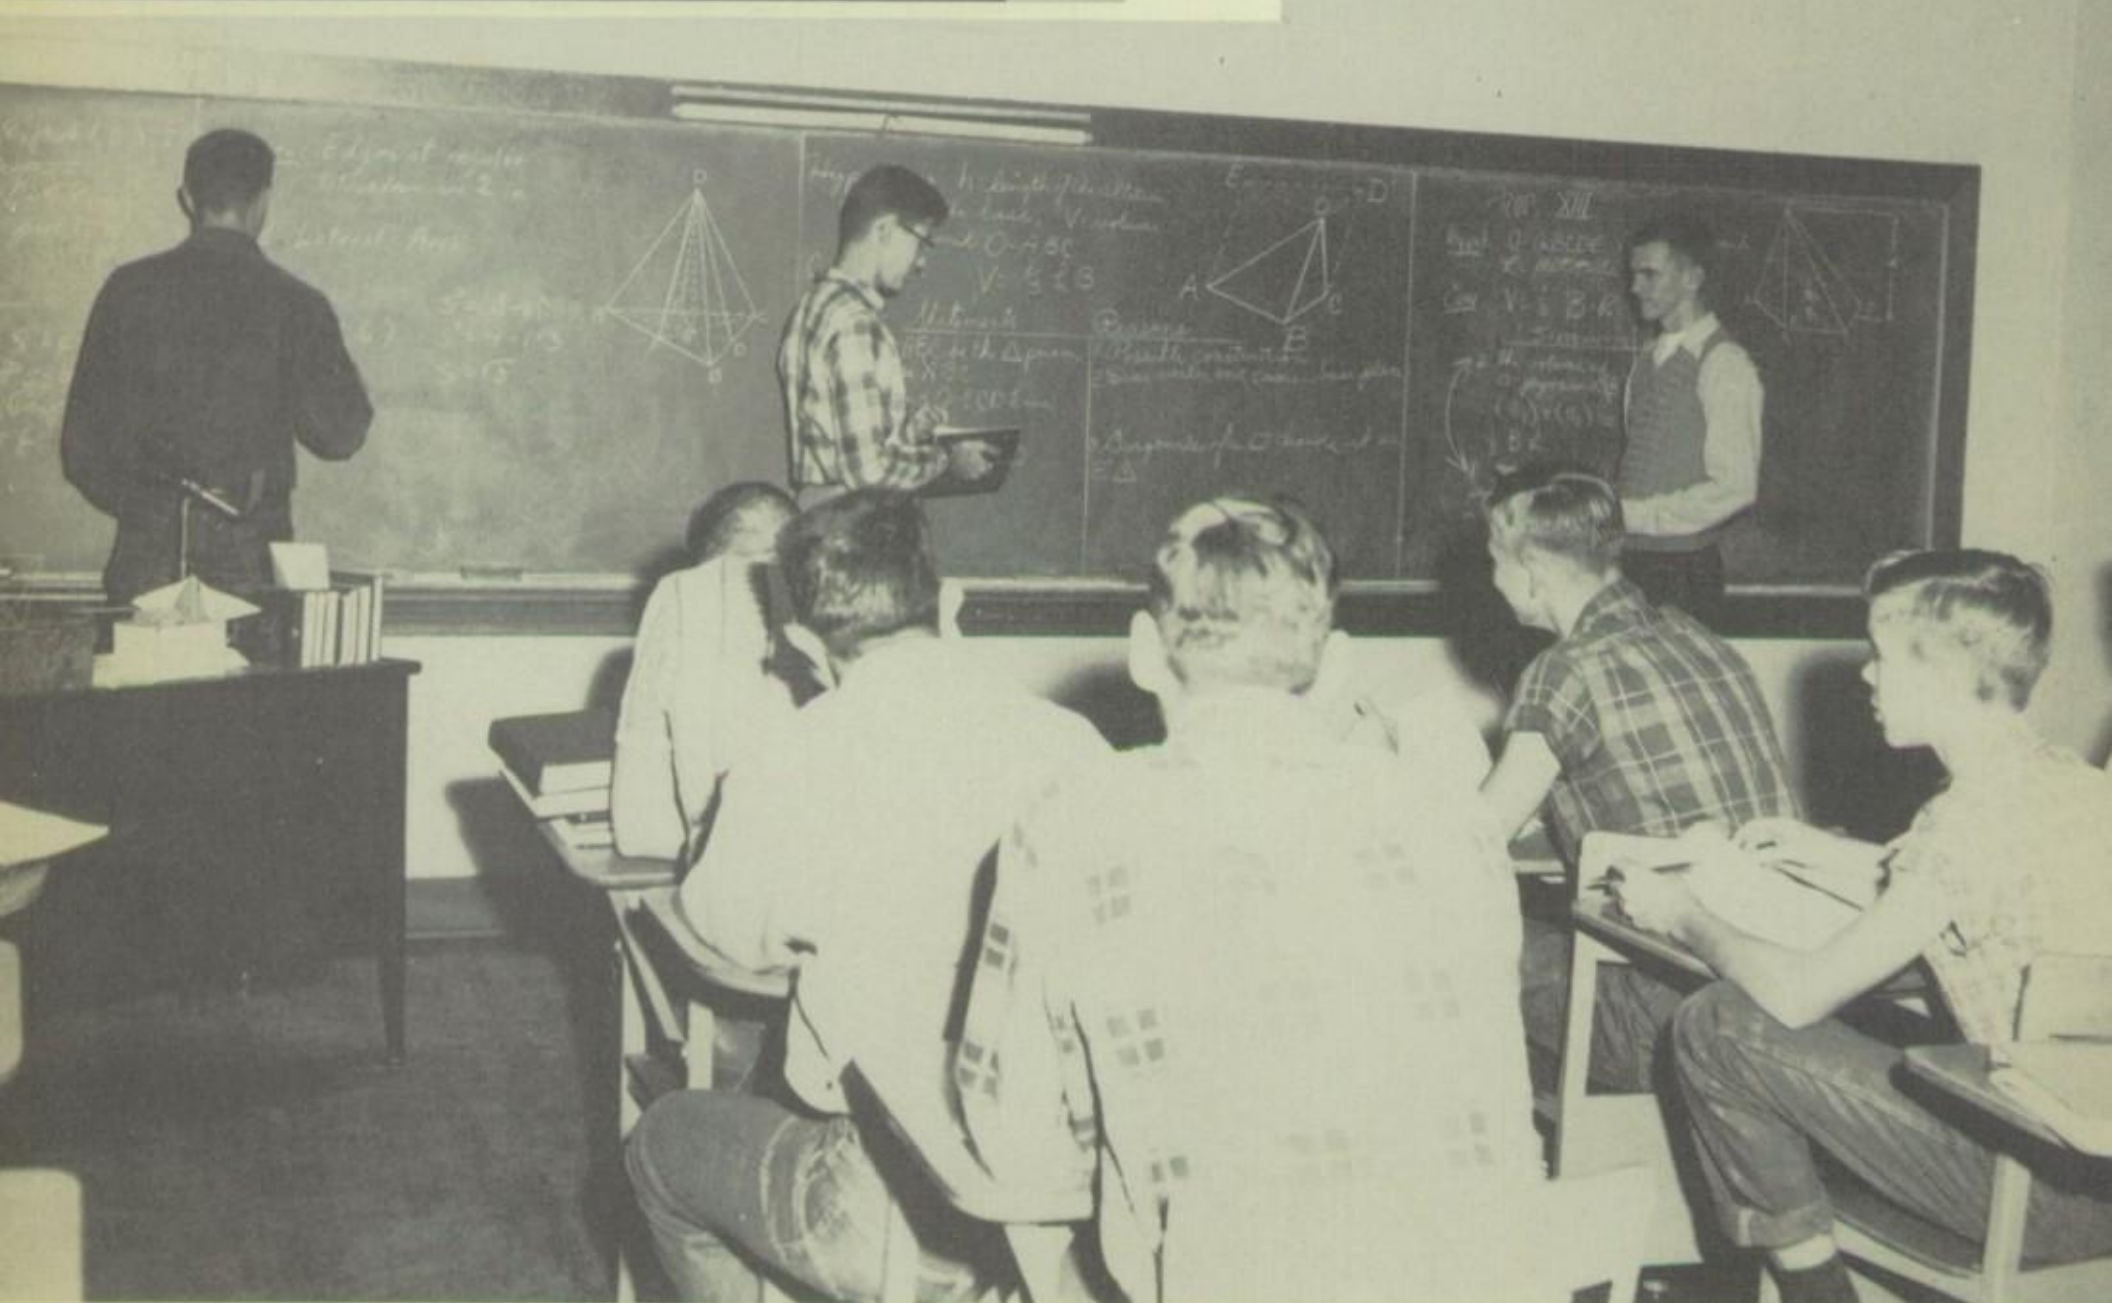

WORLD HISTORY is the big task at hand for the members of this class. Usually taken as a subject during the sophomore or junior years, Pat Anderson diligently tries to understand the meaning of the new terms he finds in his history text by wise use of the dictionary.

MR. HAMMETT is teaching his last semester at Neville. He retires this year, after many years of faithful service.

MR. GRIFFITH'S solid geometry class is shown below.

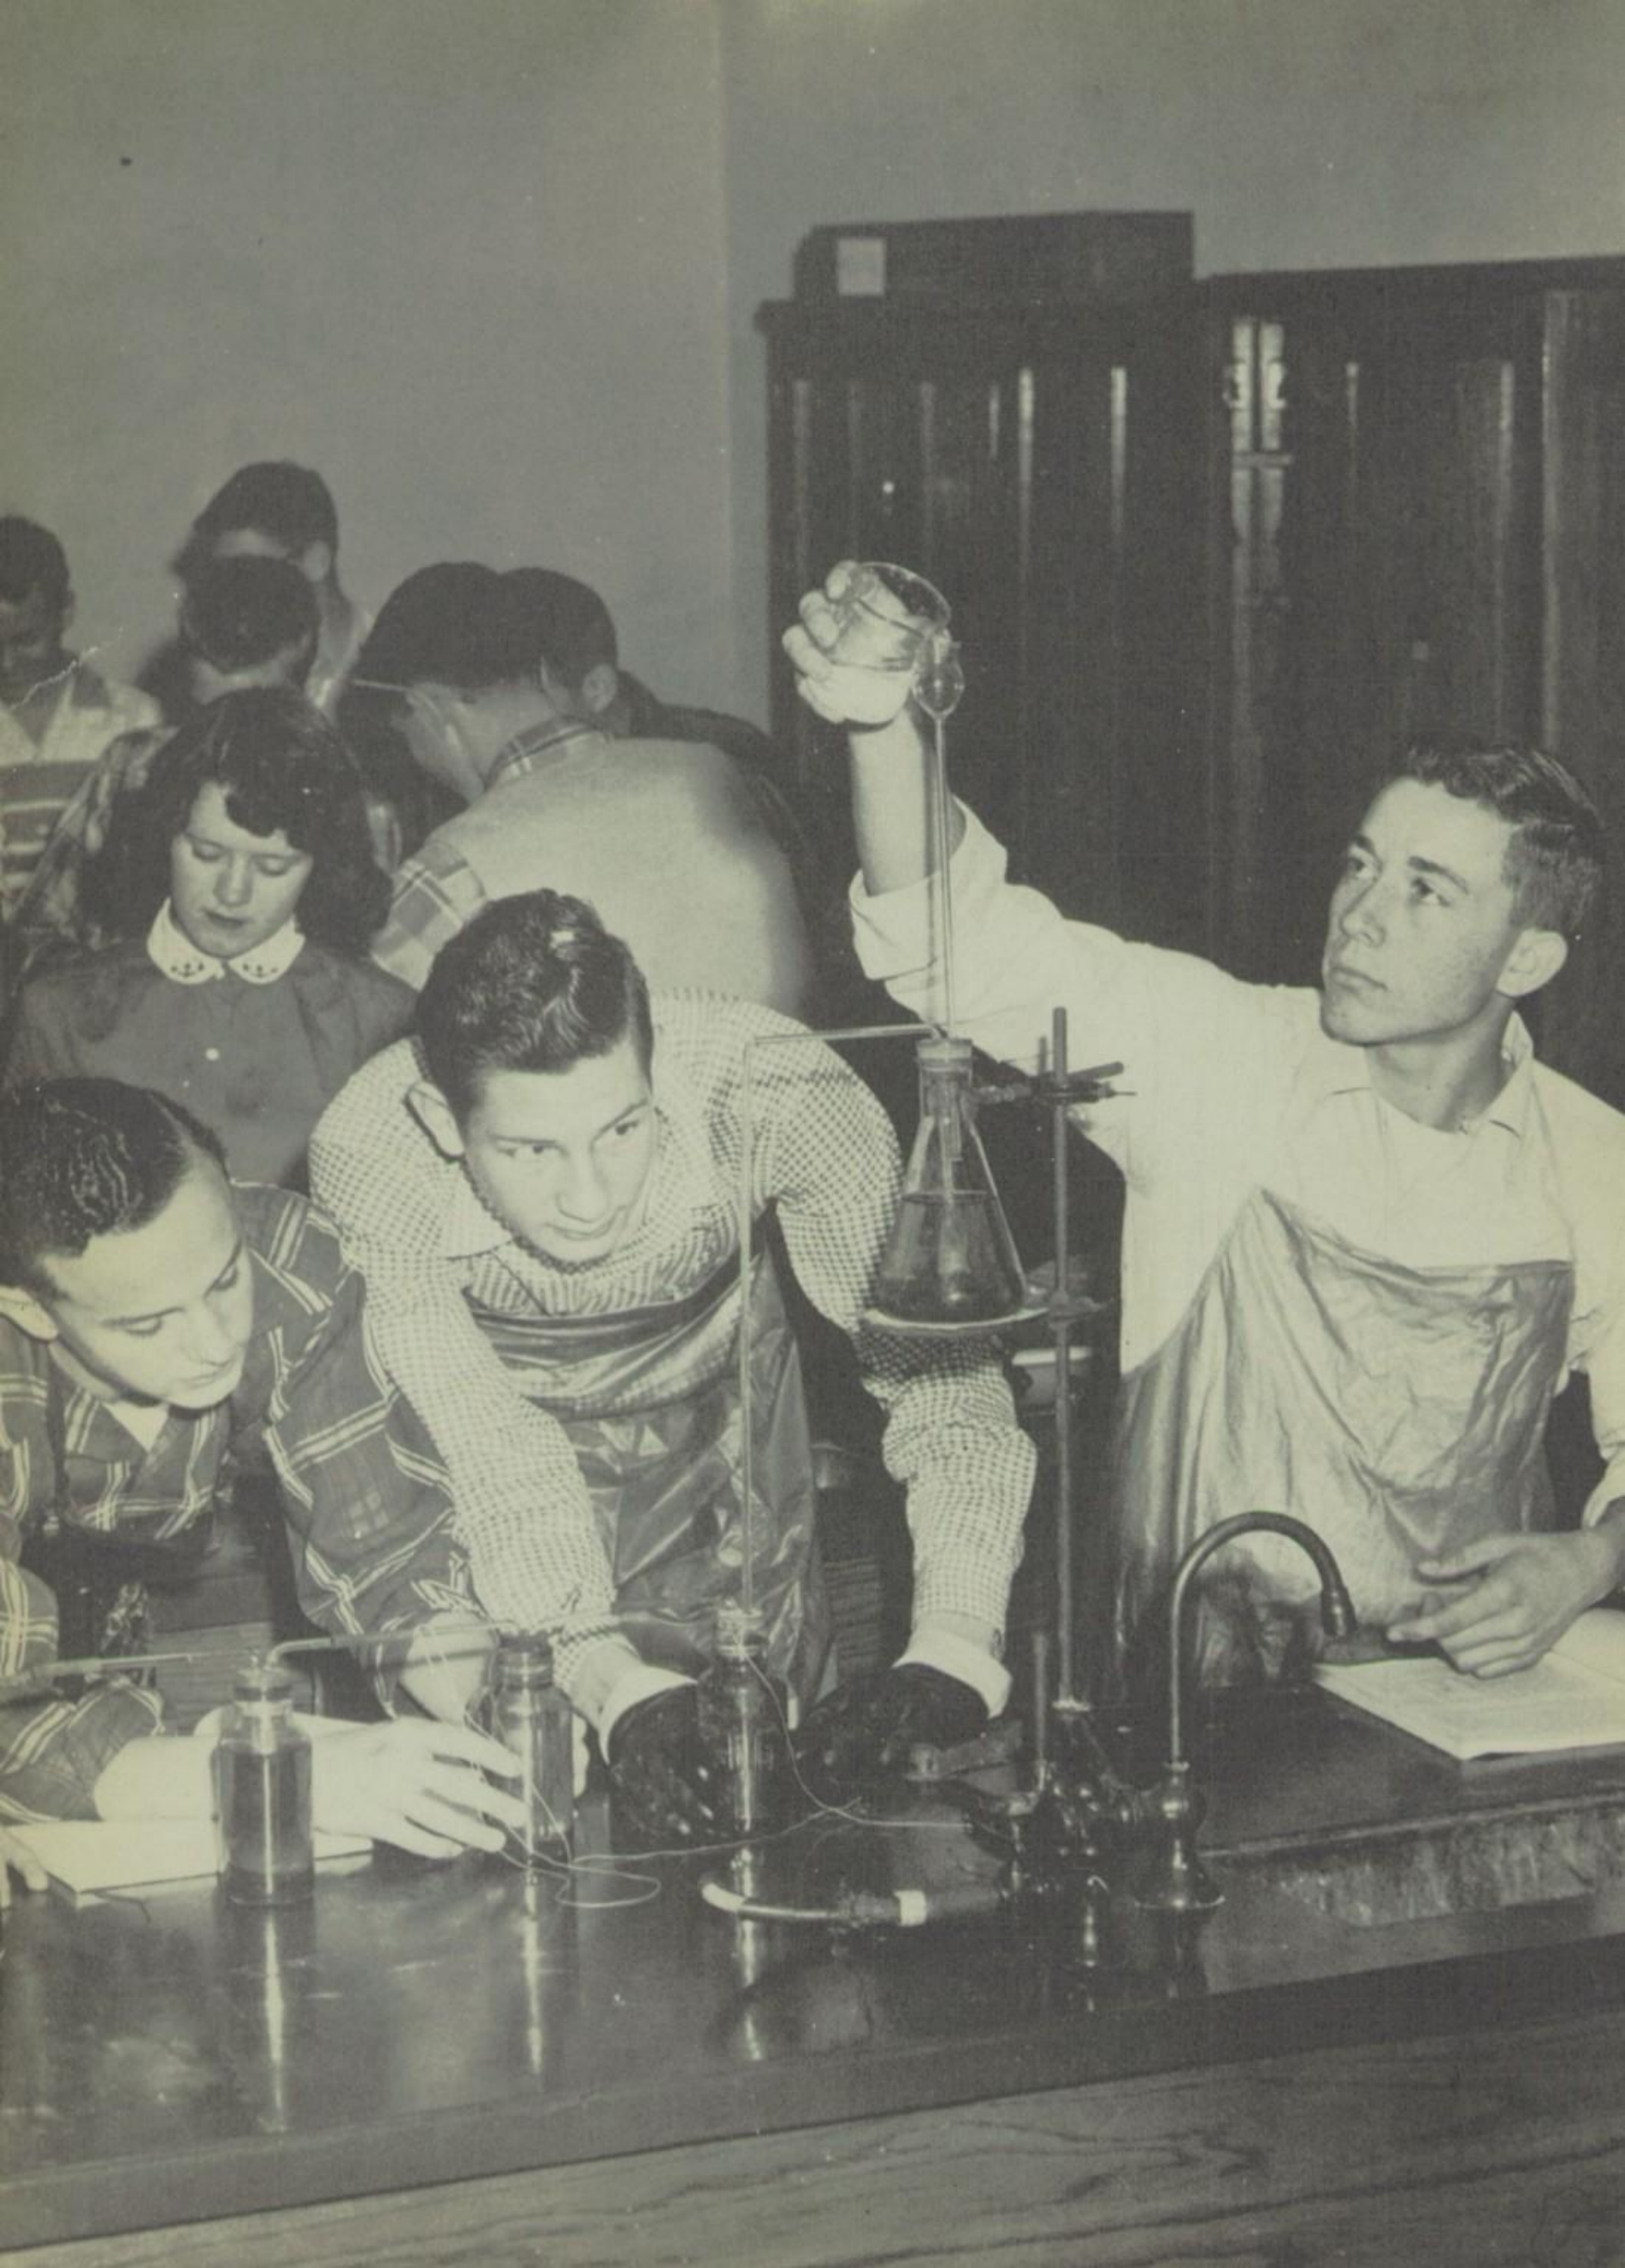

Mathematics

LATIN is still taught at Neville for the benefit of those students interested in the subject as a means of acquiring culture, and those interested in philology.

FRENCH has always been a popular subject. Taught by Mrs. Reid, students at left are learning Christmas greetings: "Je vous souhaite un Joyeux Noel et Une Bonne Annee." *Le Cercle Francais*

FRENCH has always been a popular subject. Taught by Mrs. Reid, students at left are learning Christmas greetings: "*Je vous souhaite un Joyeux Noel et Une Bonne Annee.*"

The Sciences

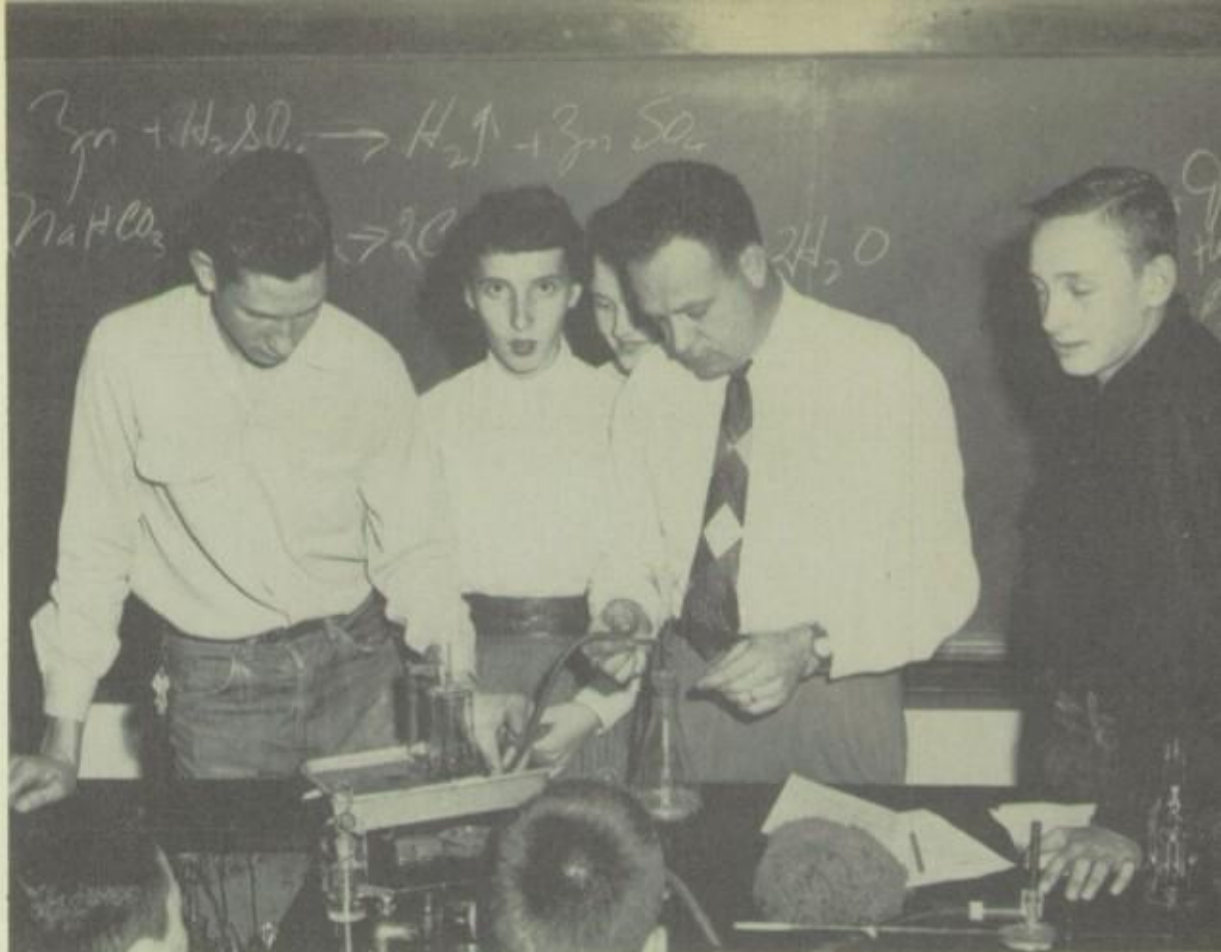

JUNIOR HIGH students are engaged in one of their favorite class activities . . . that of finding out about the world around them.

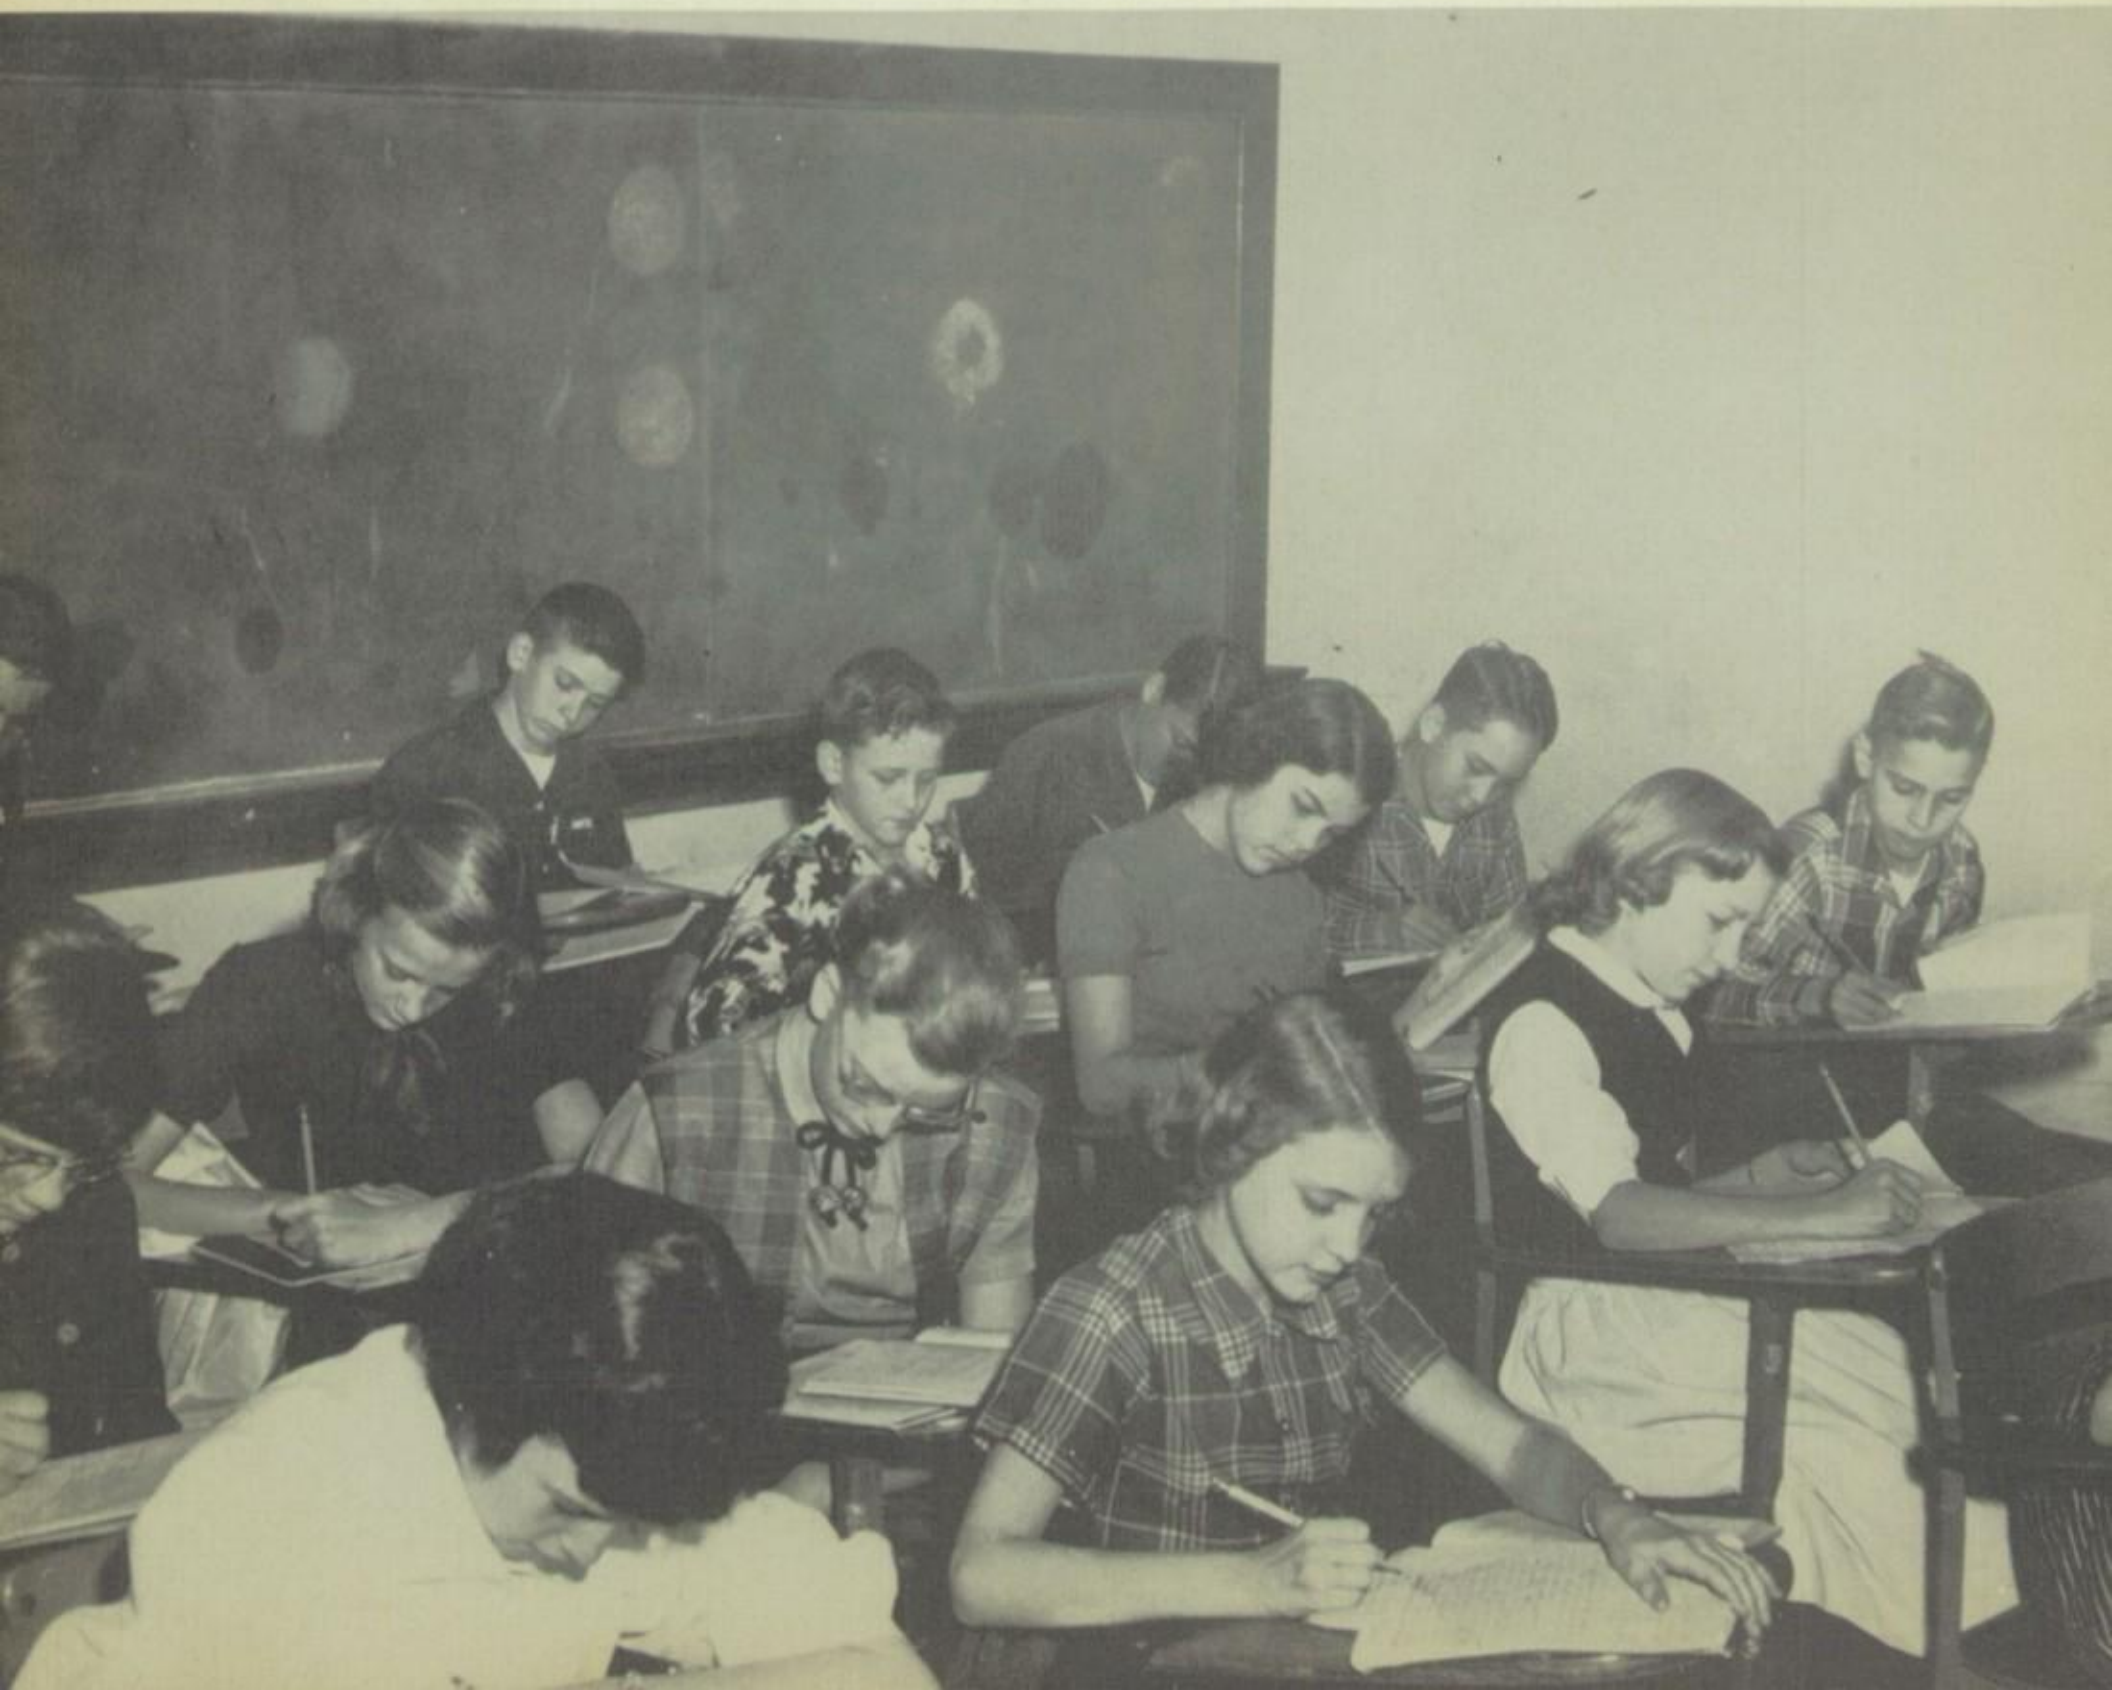

AT LEFT, MR. SEEGAR'S SENIOR CHEMISTRY students perform more advanced experimental work in the Chemistry laboratory.

Science

MR. JONES is shown at right conducting an experiment in the preparation of oxygen for his science classes at Neville. Gene Matthews is aiding him, while Nancy Breard lets her "camera conscious" eyes drift up toward the camera. An unidentified face is pushing through the background.

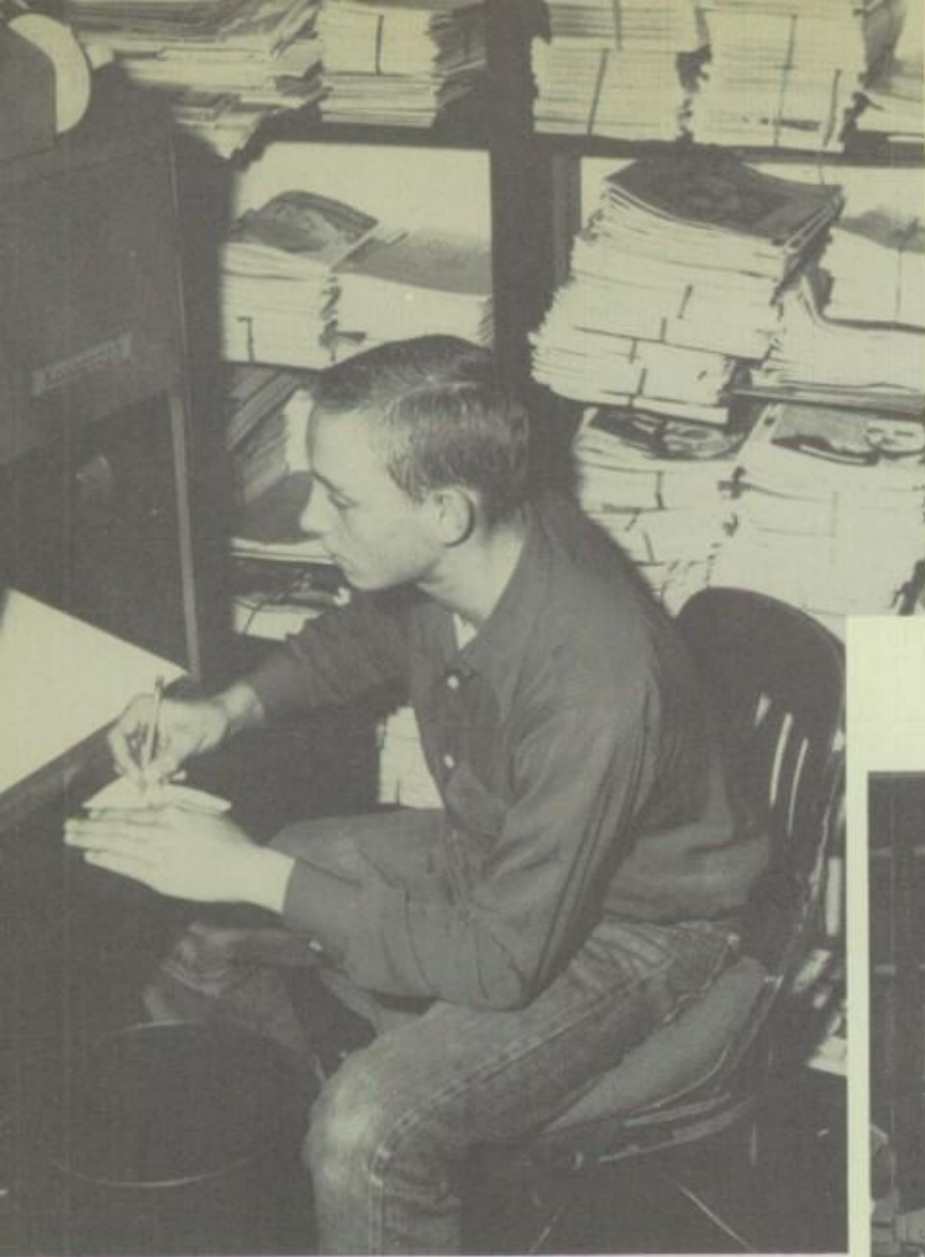

ANOTHER GROUP of science students, taught by Mr. Leigh, are shown below in their class.

Library

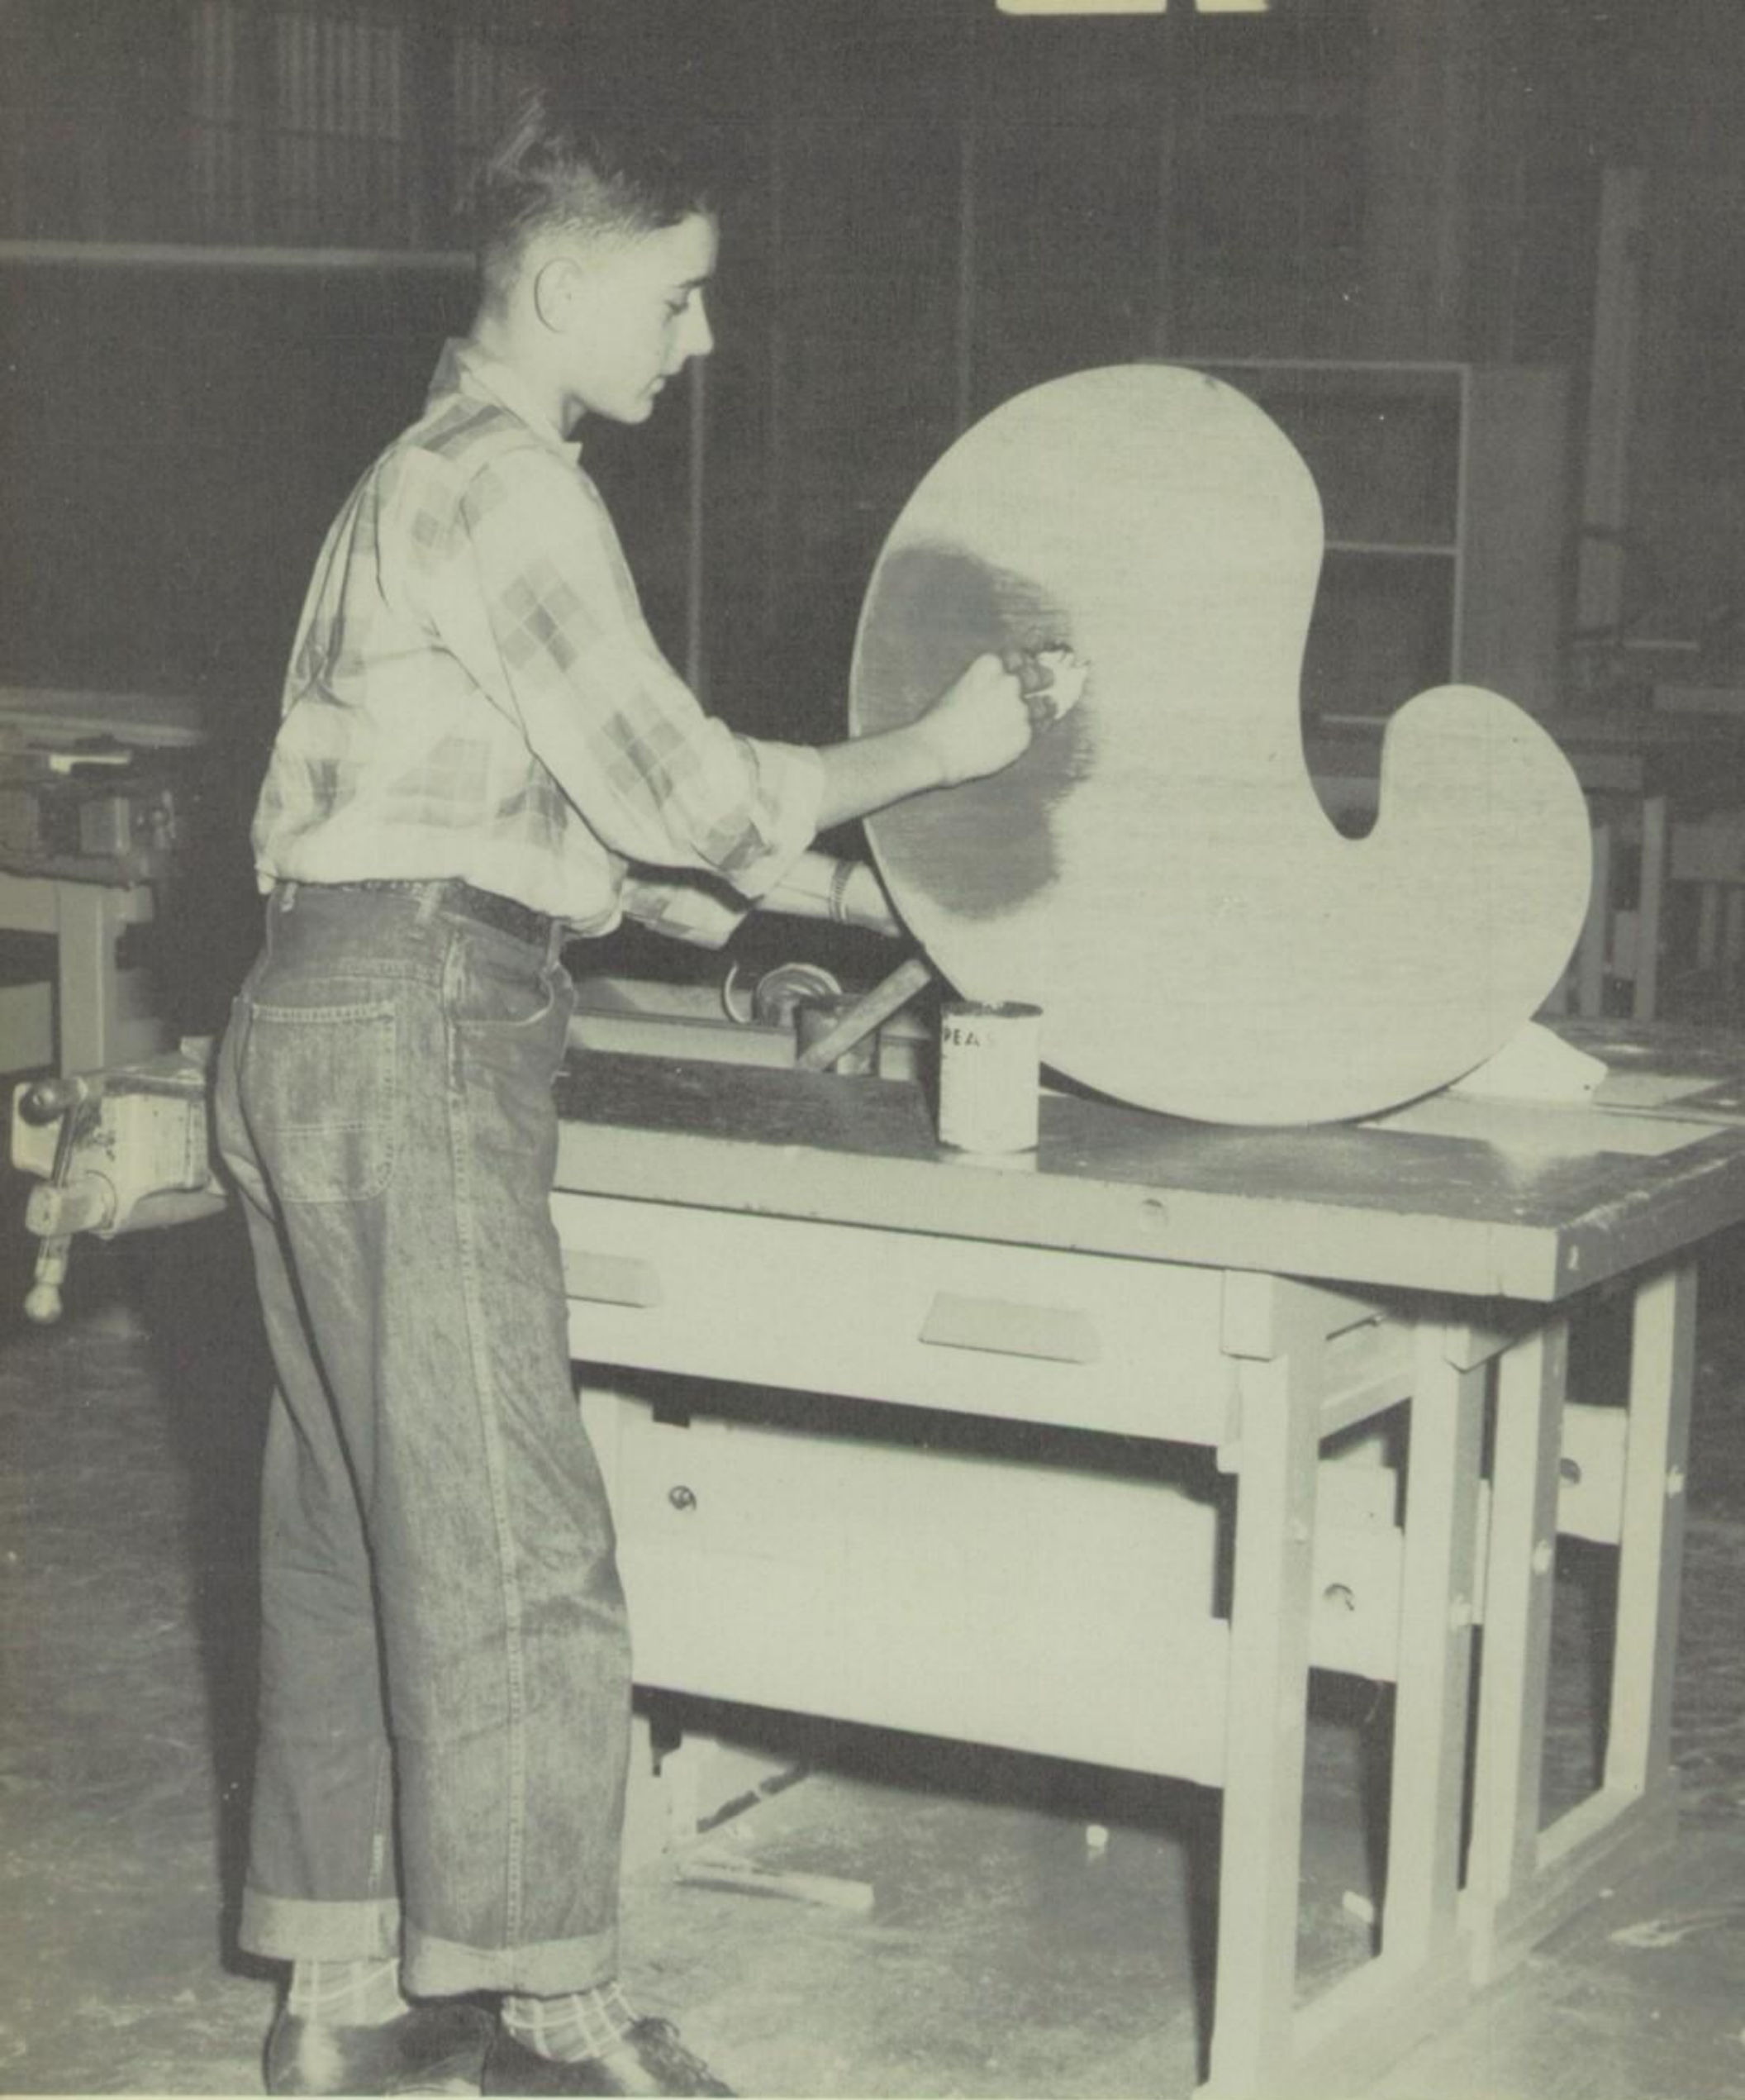

A MICROFILM reader has been added to the Neville library as the latest advancement in keeping it on a par with the best high school libraries. Elton Upshaw is shown using the machine at left.

STUDENT library workers help Miss Genevra Washburn, librarian, throughout the school day. At right, Jo Cross and Lucy Anne Jackson operate the circulation desk.

Below, the entire force of library helpers is shown grouped together.

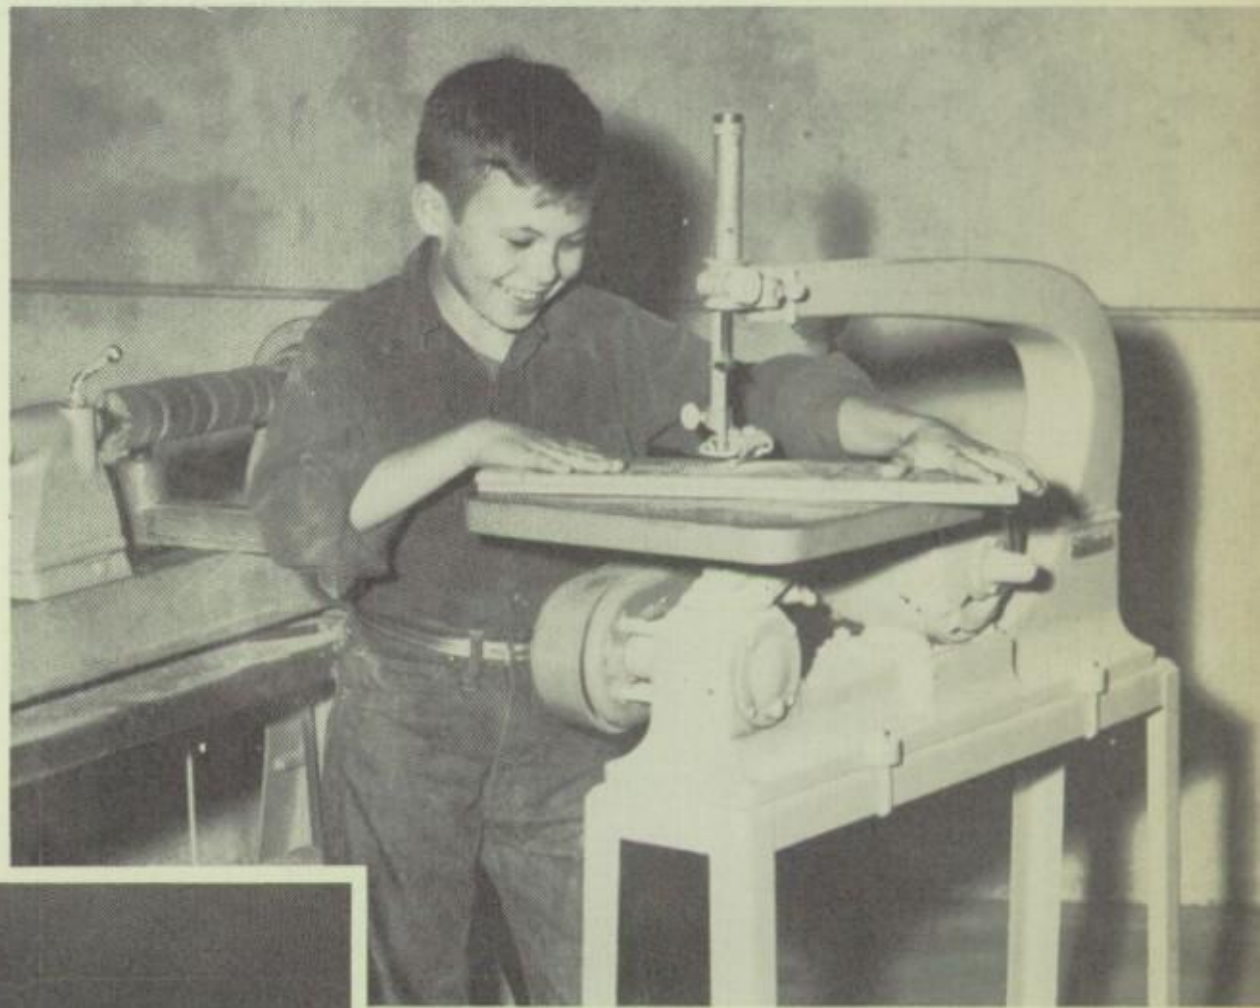

Industrial Arts

INDUSTRIAL ARTS, under the direction of Mr. John Pennington, provides a section of courses designed to develop manual skills.

Above, three boys use hand tools on their various projects. Tom King, at right, is using one of the many power tools, the jig saw.

More advanced work is being done in the picture at left by Jack Hover, who is in the process of constructing a modern free-outline coffee table.

ANOTHER SECTION of industrial arts is mechanical drawing, or elementary drafting, also under the direction of Mr. Pennington.

MACK POWELL is shown here, working on one of his drawings for completion of the required work in this unit.

Art

AN EVER-POPULAR subject in any high school is art, where students who feel the urge may develop their talents.

Miss Vera Dowling, high school instructor, observes the work of Jerry McWilliams, above, while a number of students work on a project together below.

Home Economics . . .

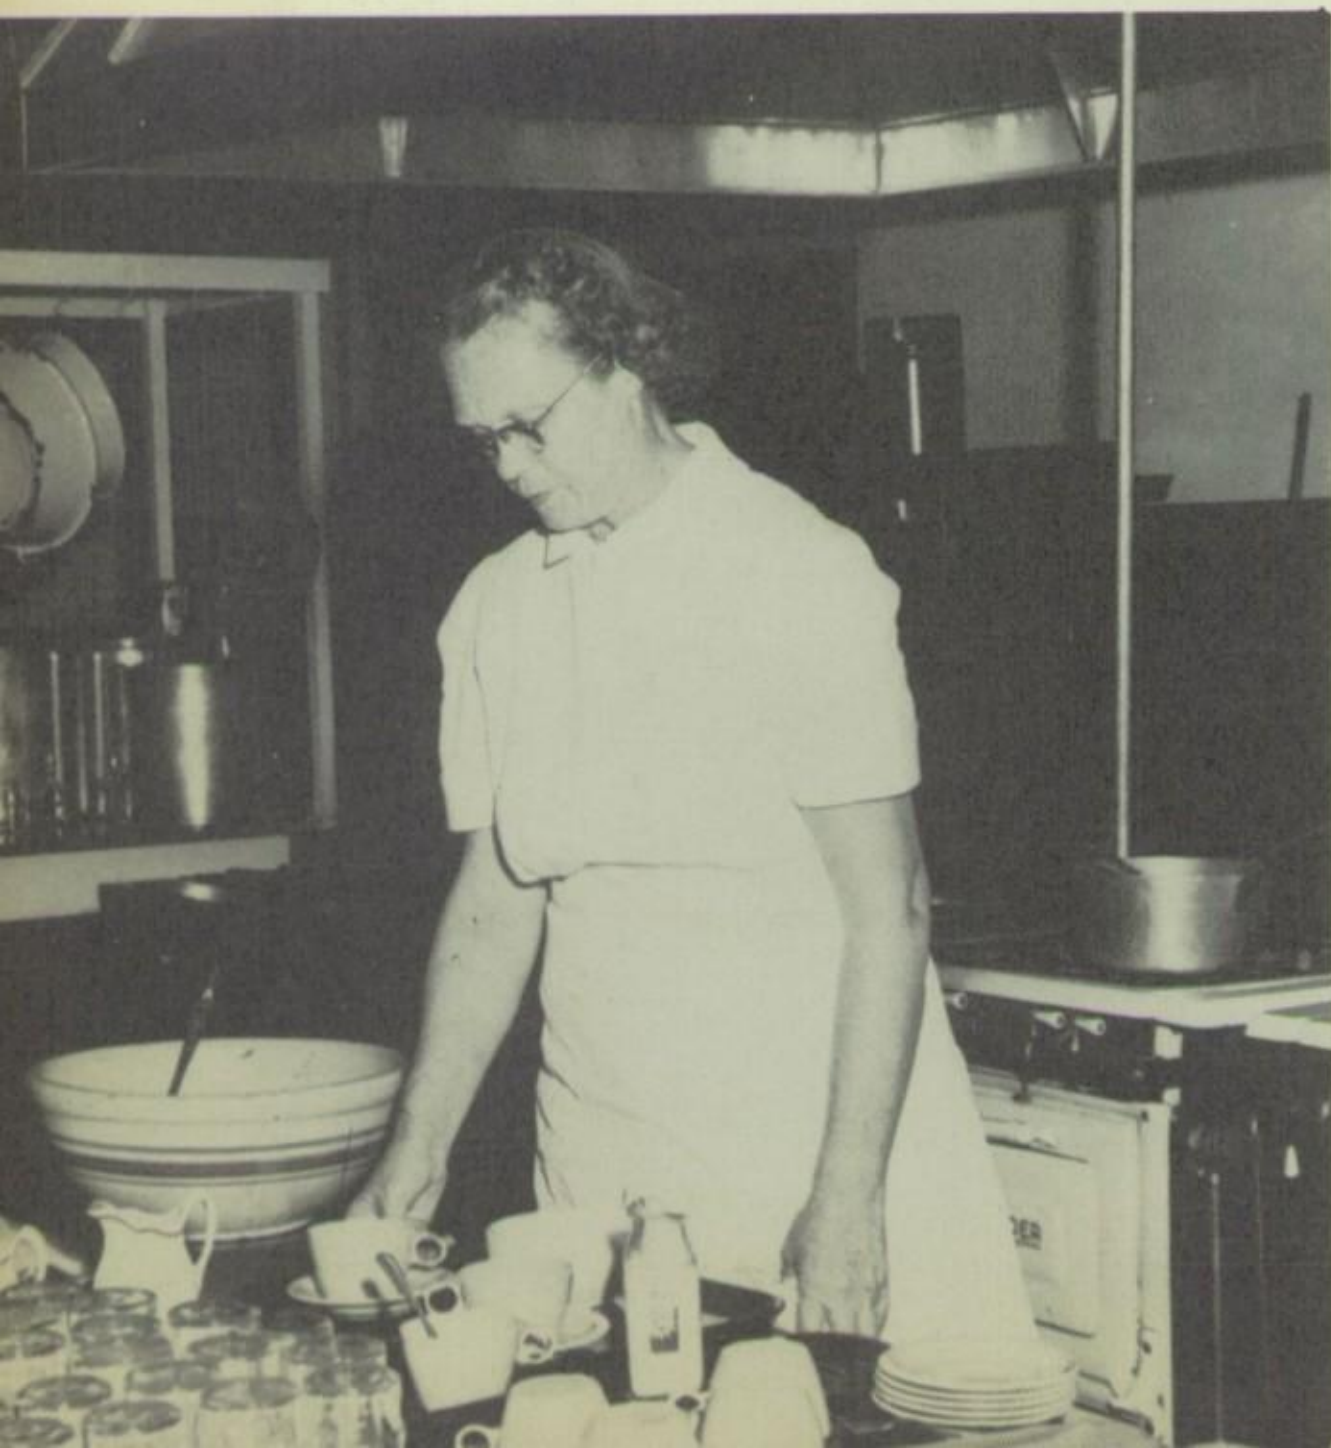

FUTURE HOMEMAKERS learn some of the know-how in operating a home from Miss Sara Bres, Neville home economics teacher. Here, they are learning the techniques associated with setting a table.

Maintenance

SUPERINTENDENT OF BUILDINGS AND GROUNDS is Mr. Lanis Pettit, Sr., who usually arrives first and leaves last on each school day.

Through the years, the maintenance staff at Neville has done a top-notch job of keeping the building of which we are so proud in the finest condition. Visitors frequently cannot believe that the main structure is now over 20 years old.

MRS. METTIE CARTER is known by everyone as the one who "feeds" the student body in the free lunch program.

About half of the Neville student body uses the school cafeteria at noon. The lunch period is divided into three shifts to accommodate the students without overcrowding. About 200 eat lunch during each shift.

Cafeteria

Commerce . . .

GAYE OLCOTT AND DIXIE JOHNSON use the adding machines. These two girls are only a small per cent of the students that learn the general procedure of office work. The commerce department prepares students so well that often they are able to obtain very good jobs in and around Monroe after graduation.

MR. LANIER THOMPSON, one of the latest additions to the Neville faculty from the Ouachita Parish system, and Miss Harriett Boyle, who has been on the faculty for many years, teach the skill courses in commerce.

At right, a student is engaged in learning use of the typewriter.

Below, a group of Mr. Thompson's bookkeeping students work on their "practice sets" to get practical use of what he has taught them on bookkeeping techniques.

Music

AMONG NEVILLE'S most talented music students are those selected each year as members of the All-State band and chorus. These students annually participate in the activities of the Louisiana Teachers' Association convention.

ALL-STATE CHORUS members from Neville, at left, are, left to right: Jerry La Prairie, Pat Patterson and Palmer Jarrell. Seated at the piano is John W. Davis, music teacher at Neville.

ALL-STATE BAND members pictured below are, left to right: Charles Newman, Slick Lawson, Marianna Altick, and John Scogin.

Chorus .
. Band

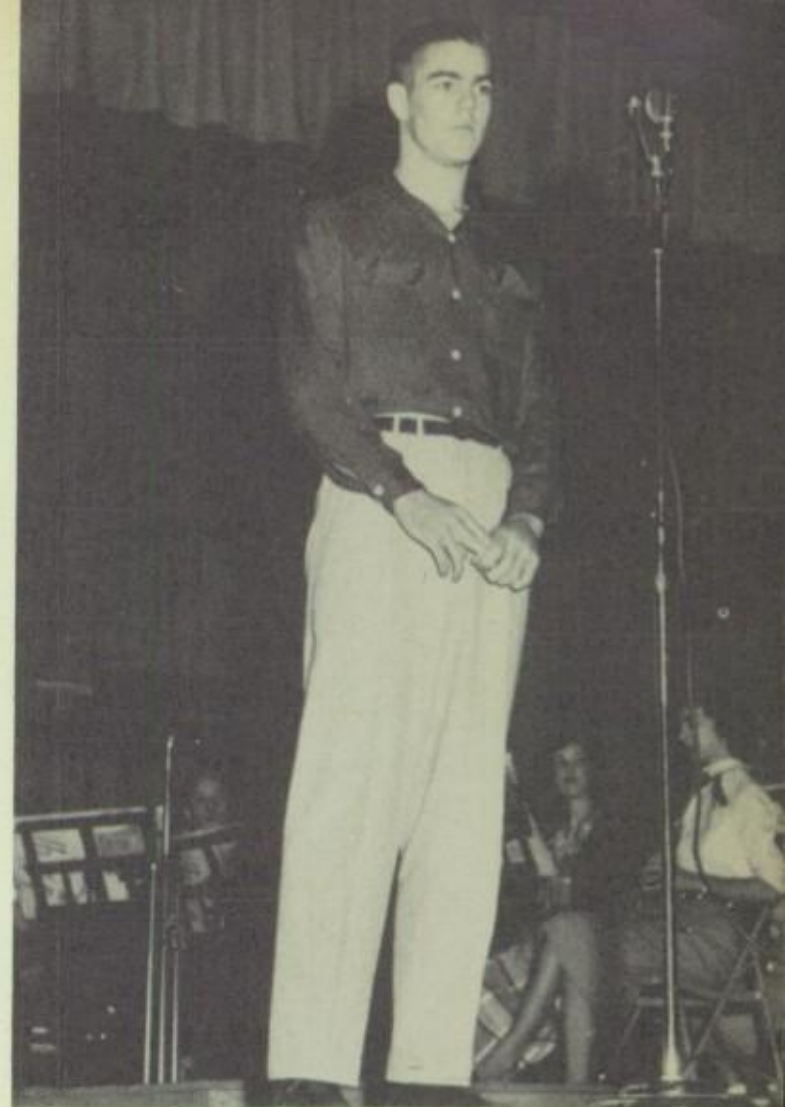

Student Council

STUDENT GOVERNMENT AT NEVILLE is under the guiding hand of Sidney Seegars, faculty member and student council sponsor.

MIKE CAGE, in his familiar pose at the microphone in the auditorium, where he leads activities in all student assemblies, is respected by all of the students at Neville for his qualities of leadership. Student Council presidents throughout the history of the school have been examples for others to follow in the realm of high ideals and character. Right.

COUNCIL OFFICERS, pictured below, are, left to right: Lester Martin, Vice President; Pat Reitzell, Secretary; Pud Huckaby, Parliamentarian; Fred Allen, Sergeant-at-Arms, and Mike Cage, President.

Our Organizations

Girls' State

Marion Huckaby, Pat Reitzell, Martha Coon, Elstner Frazer, Ginger Blanks, and Pat Ruple, represented Neville at Pelican Girls' State.

Boys' State

Phillip Ambrose, Lester Martin, Alvin Lipson, W. J. Haddad and Bill McRaney represented Neville at Pelican Boys' State.

Leadership Conference

Representing Neville at the 1953 session of the state-wide Leadership Conference were Julia Bess Williams and Margaret Lee.

F.B.L.A.

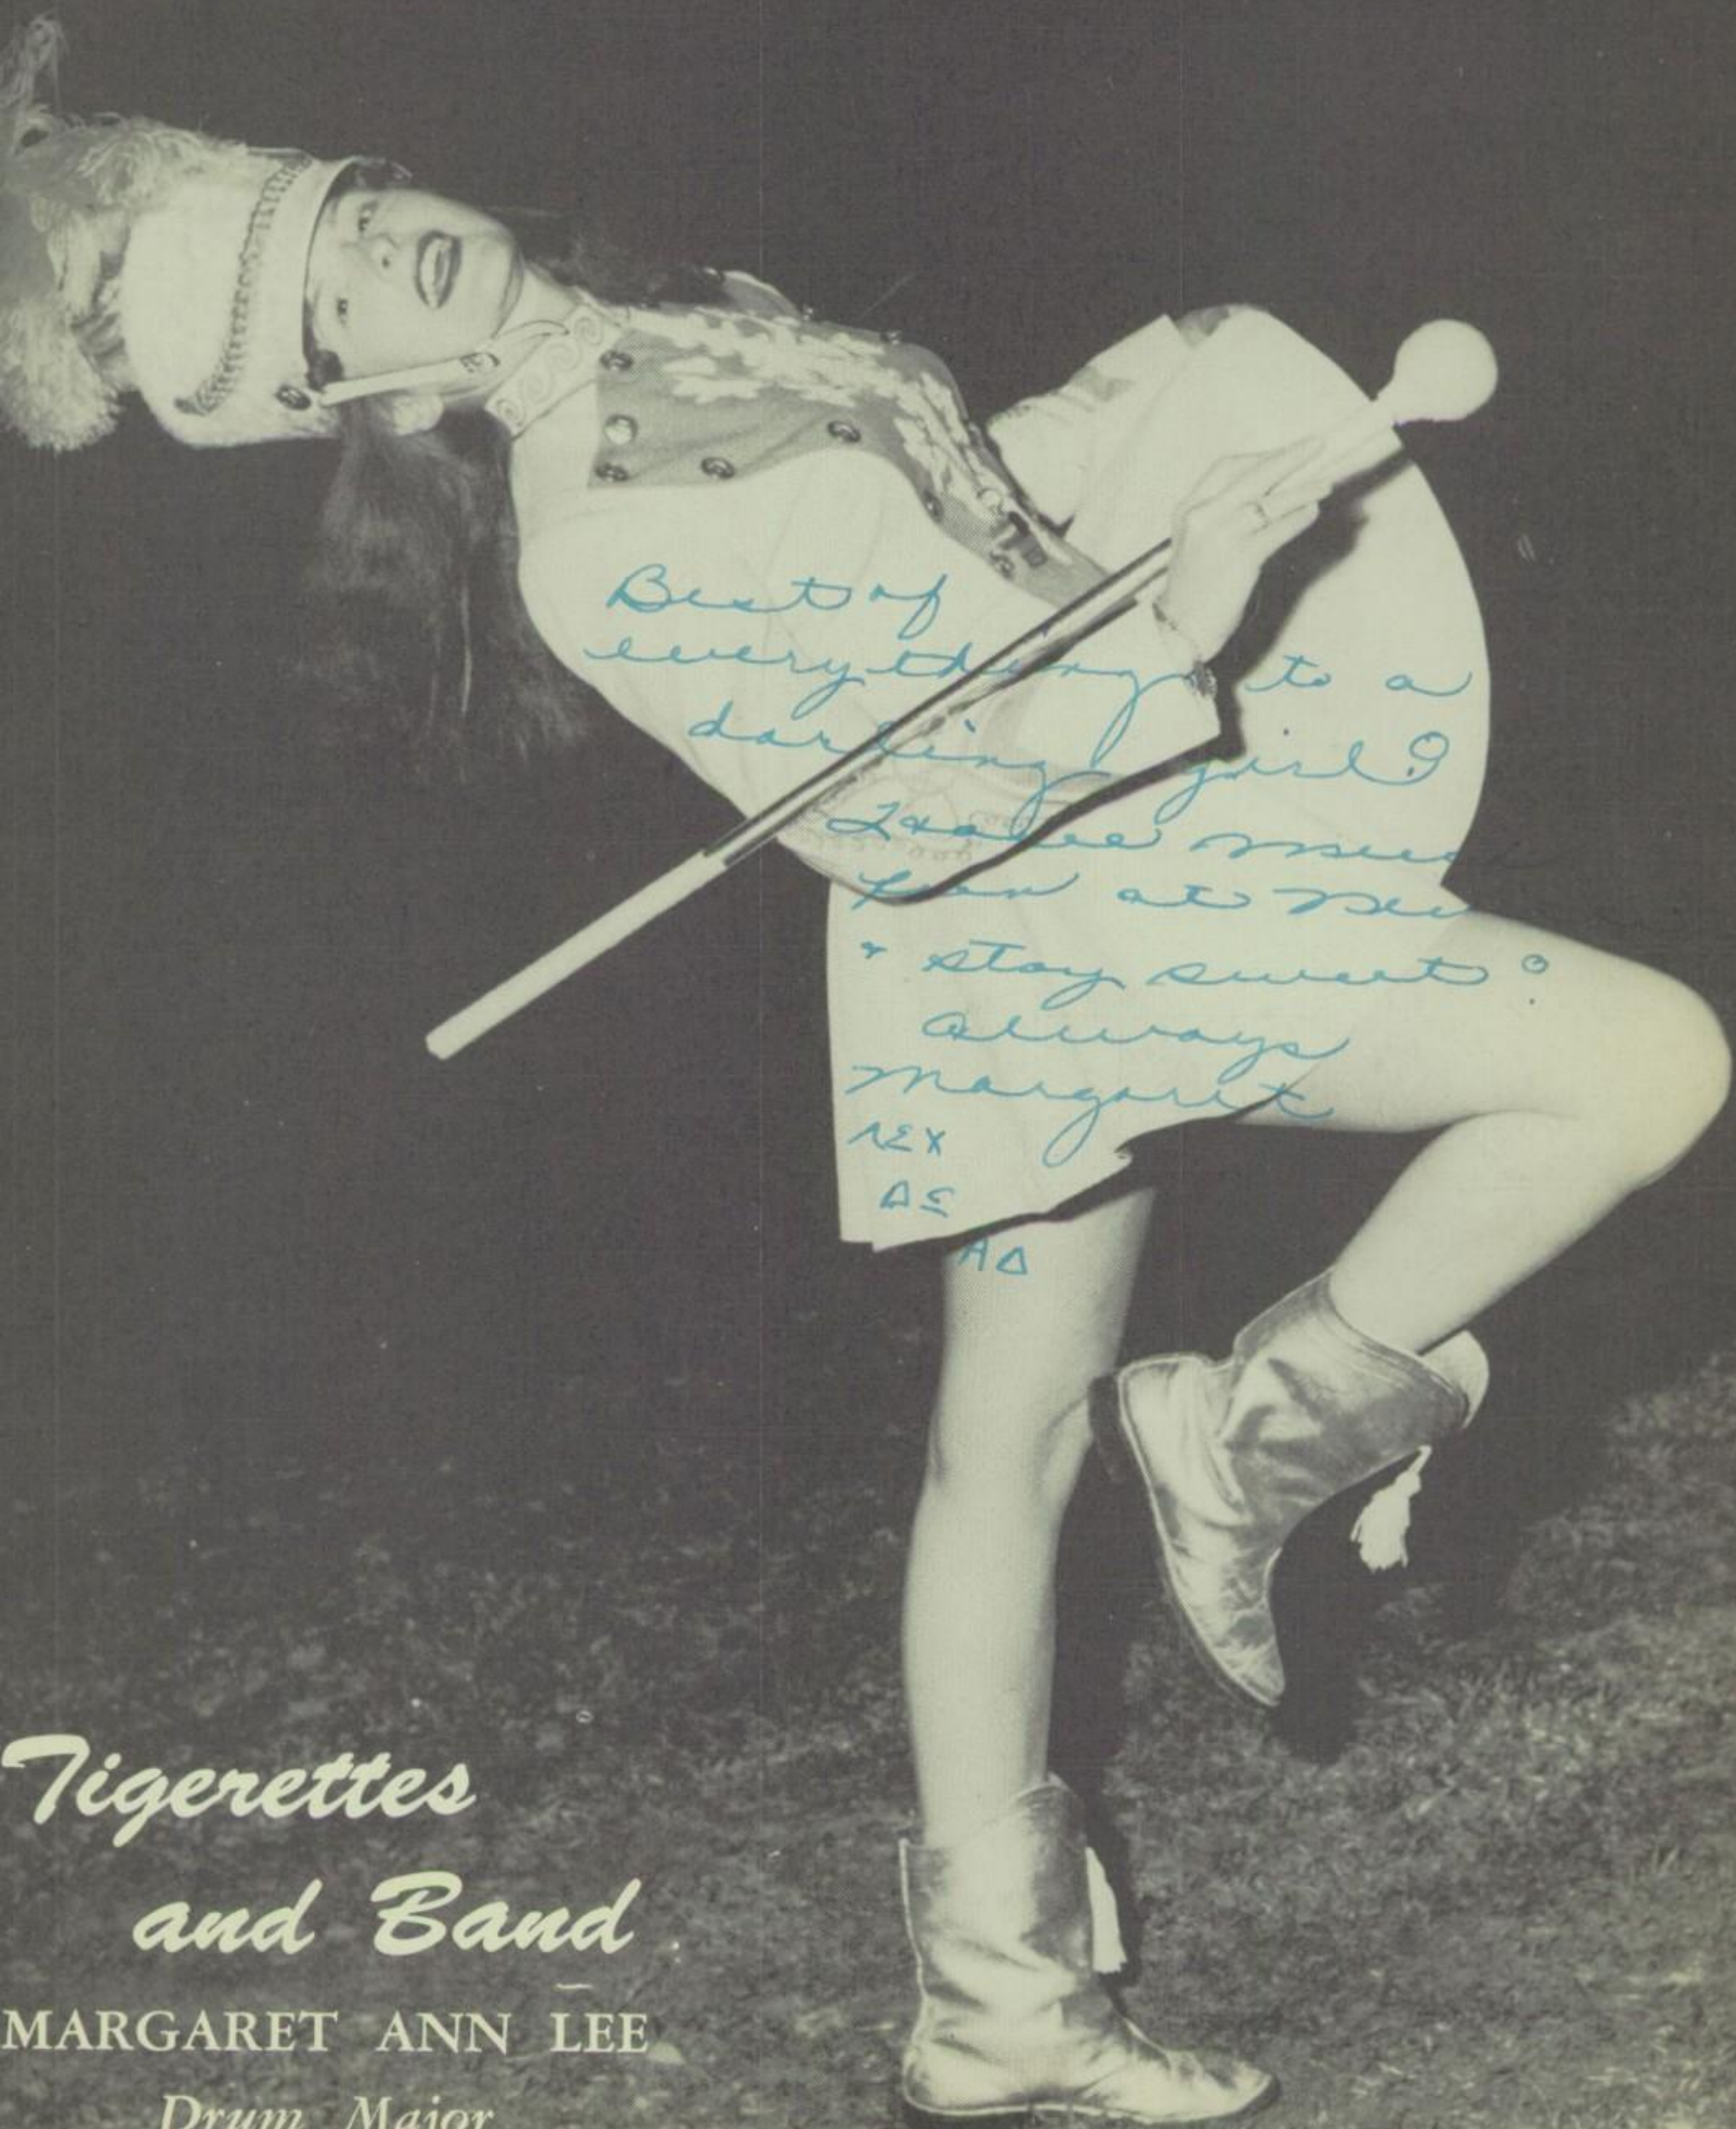

THE OFFICERS of the Future Business Leaders of America are: Pat Ruple, Treasurer; Linda Hornbeak, Sergeant-at-Arms; Julia Bess Williams, Secretary; Pat Reitzell, President; Marion Huckaby, Vice President; Ashley Hamilton, Historian; Ginger Blanks, Reporter.

Junior Red Cross

Shorthand Club

Tigerettes
and Band
MARGARET ANN LEE
Drum Major

Victory . . .

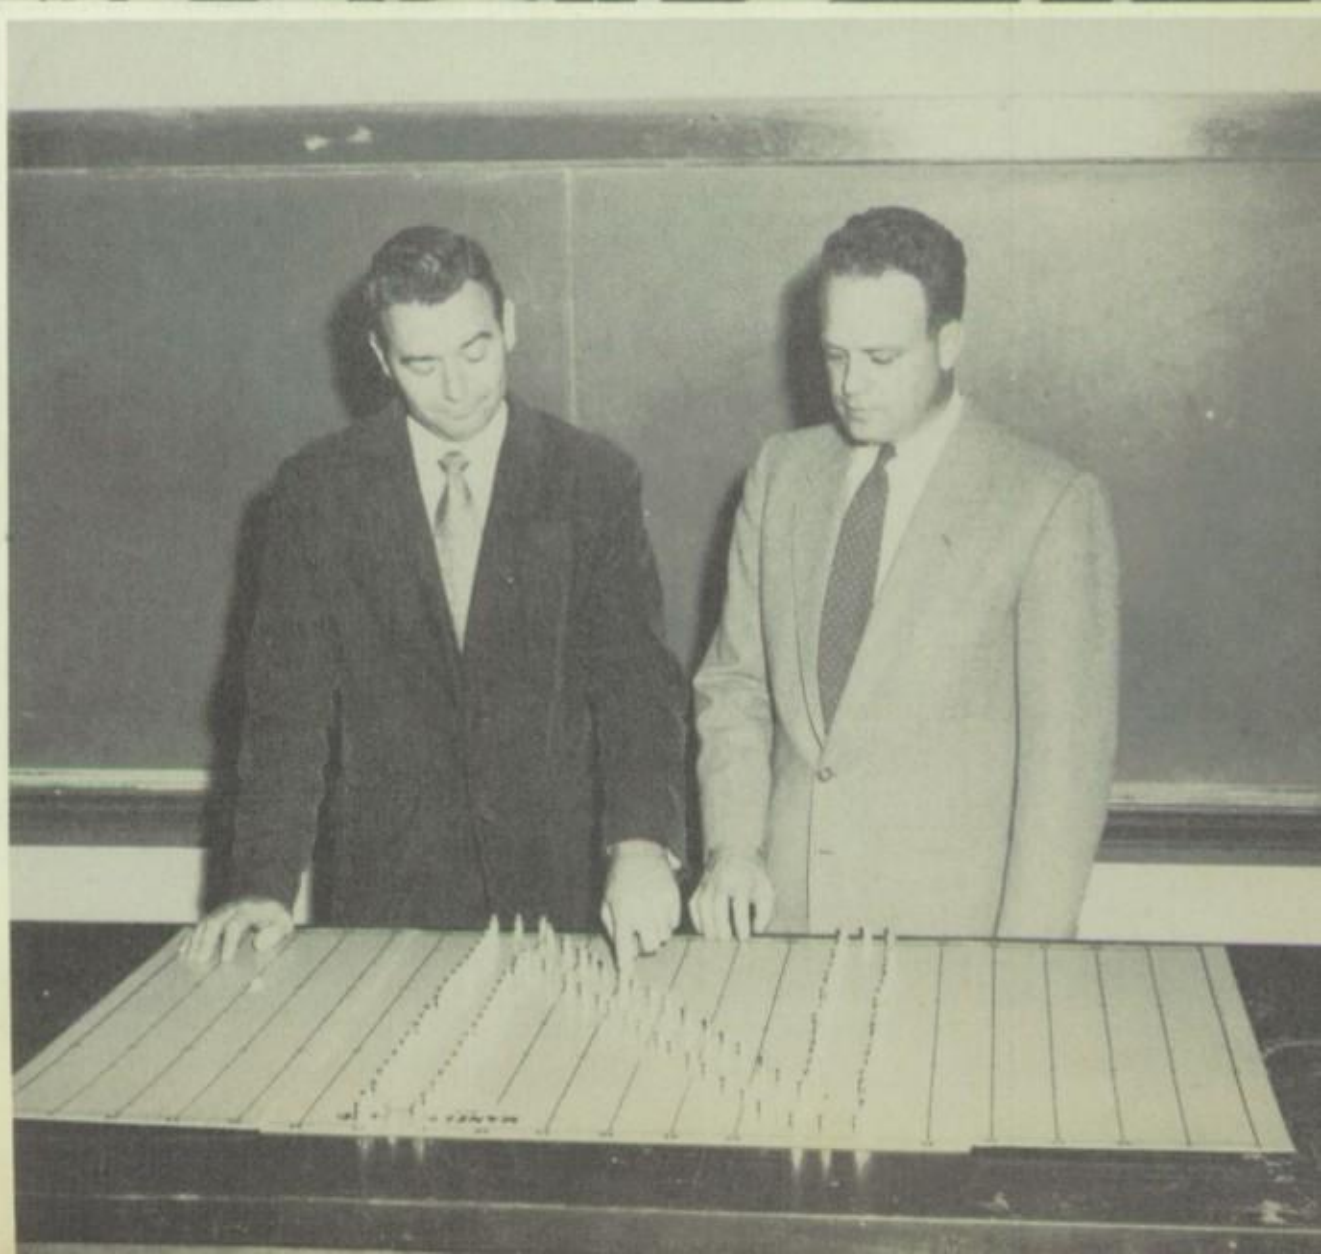

A WINNING TEAM will often bring about spontaneous scenes of happiness among Neville students as in the picture below, taken after the Ouachita game . . .

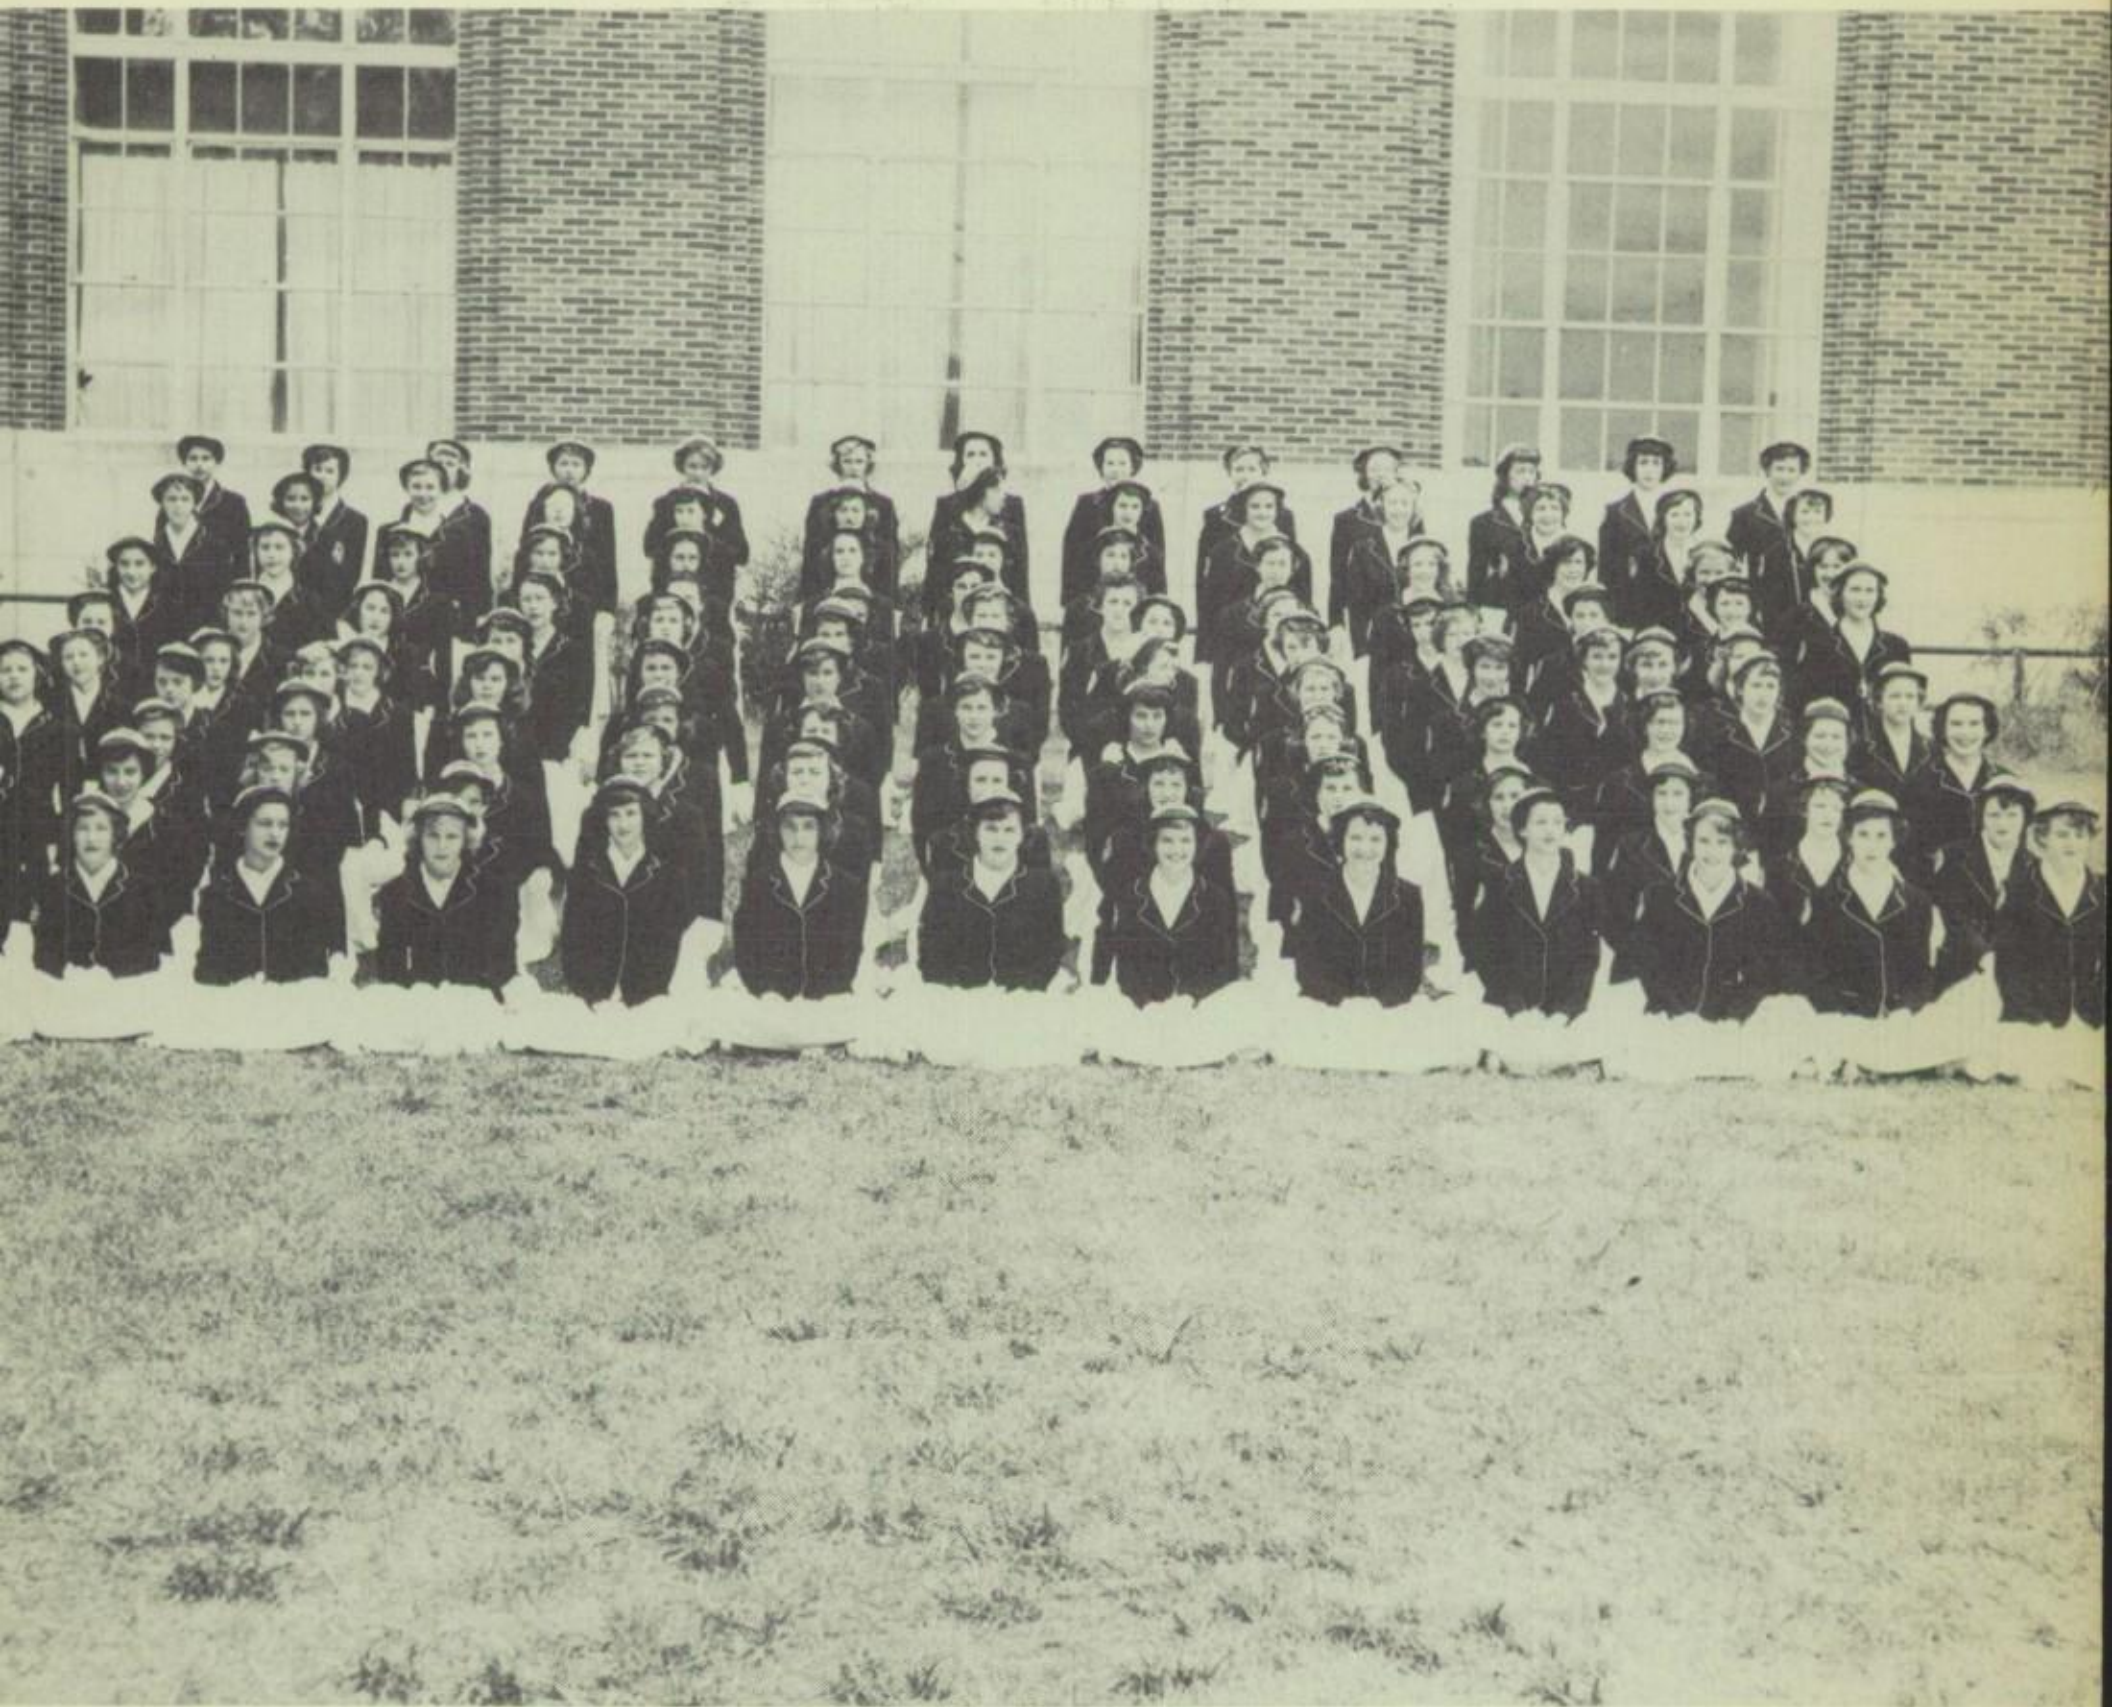

BUT . . . behind any winning team, there is much planning and practice. At right, Mr. John Davis and Mr. Luther Jones, directors of the famed Neville Band and Tigerettes, plan, in minute detail, all of the features of movement of the individual in a giant half-time show.

Through their leadership, the BAND and TIGERETTES have become widely known and recognized throughout this area of the state.

And for the PEP SQUAD, few such groups can boast having occupied two columns on page one of the Sunday New York Times.

The Tigerettes . . .

MUCH COULD BE WRITTEN about the famed Neville High School Tigerettes. But it can all be summed up in one statement: "When a group is needed to lend support to school activities, you can count on the Neville Tigerettes!" But, again, the story doesn't end there.

TIGERETTES frequently pitch in and help in community and civic activities, such as the March of Dimes campaign, and "Operation, Blind Corner." In the Dimes drive against polio, the Tigerettes raised approximately \$500 in two hours on the downtown streets. In cooperation with the Monroe-West Monroe Chamber of Commerce, they surveyed North Monroe and the college area to spot traffic hazards in the form of "blind corners."

AND WHERE NEVILLE TEAMS WENT, the Tigerettes went also. Always, in support of the boys and girls wearing black and gold, the Tigerettes follow, giving out with their colorful yells, songs, and just generally high spirit for the "Team."

Cheer

LEADING THE SPIRIT of the school during the 1953-1954 season, these girls have shown unceasing loyalty in the work they have done. Many of us never realize the work that goes on behind the scenes of pep rallies, bonfires and the signs that line the halls.

PAT RUPLE

*Spade of luck
Connie
DBE*

PAULINE BARRINGER

CONNIE PICKERING

Leaders

These girls and their abundance of school spirit and pep have been a credit to the school as well as to the football team.

Our hats are off to you 1953-1954 CHEERLEADERS.

The Editors

GINGER BLANKS

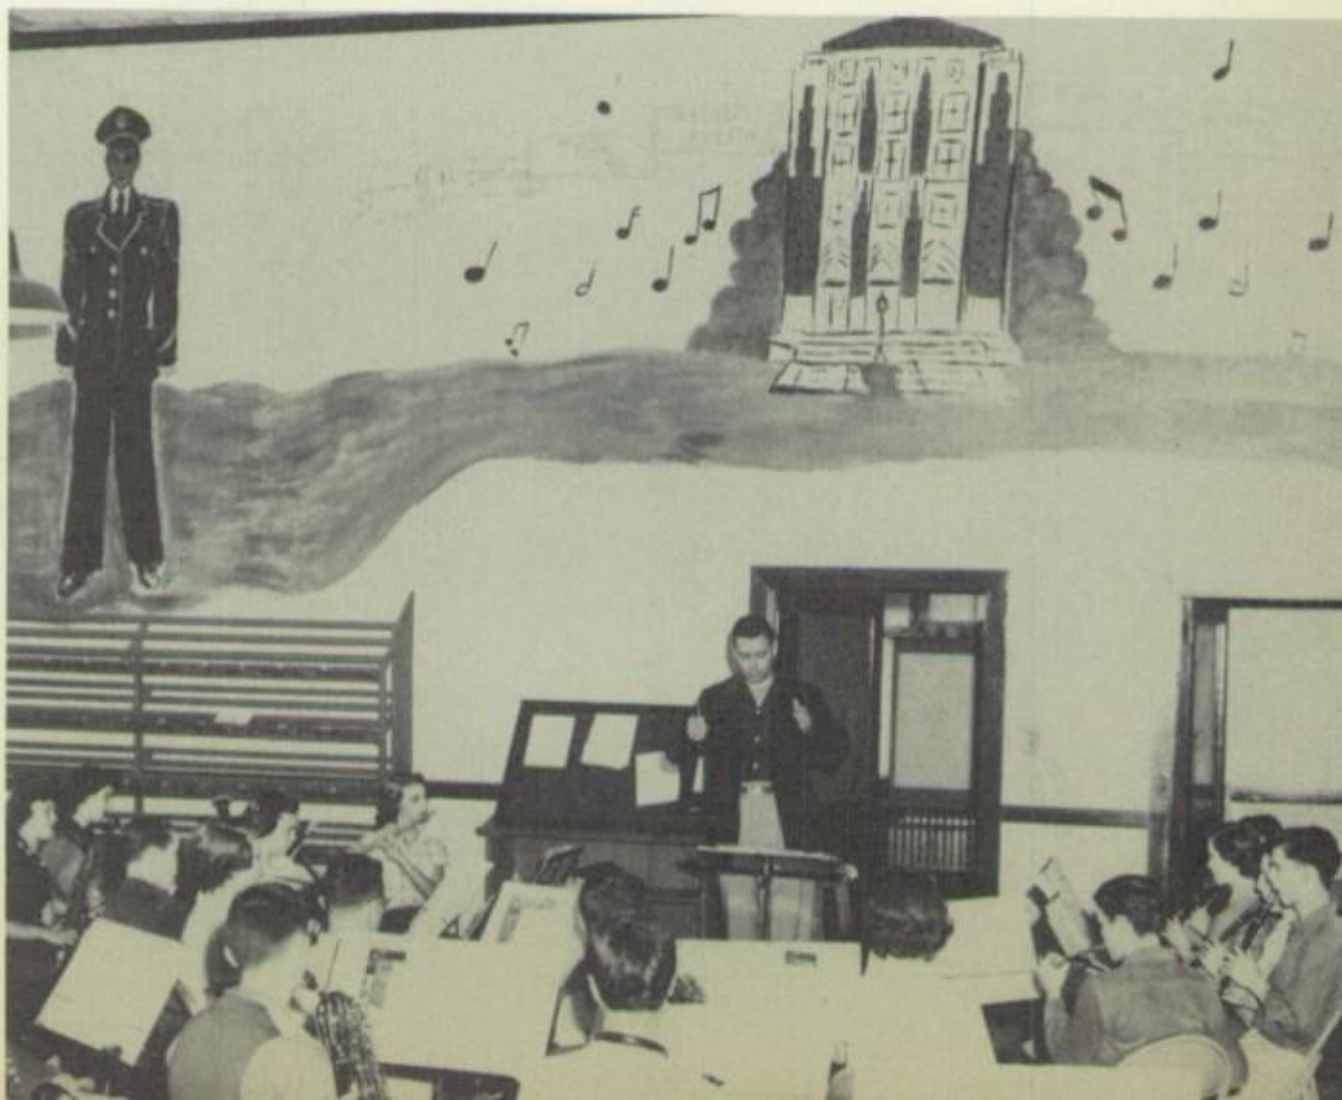

CATHY NOEL

AIDING CHARITY . . . Neville students are shown here in two capacities, donating to a fund drive, and ringing the bell. So, from two angles, Neville students aid worthwhile causes, all the while learning the value of one of the high virtues—giving, to aid the less fortunate.

THE TIGER BAND, shown here in its "Tower" hangout, is practicing one of the selections that it will use at the next half-time show. Without the music, which provides timing and auxiliary effect, the movements of the Tigerettes, so colorful, would remain silent.

The Majorettes . . .

MOLLY NAFF

TIGERETTE BANQUET . . . A highlight each year to the Tigerettes is the annual banquet. Ceremonies bring about the installation of new officers and new members in the organization. Above, Julia Bess Williams takes over at the banquet held last spring.

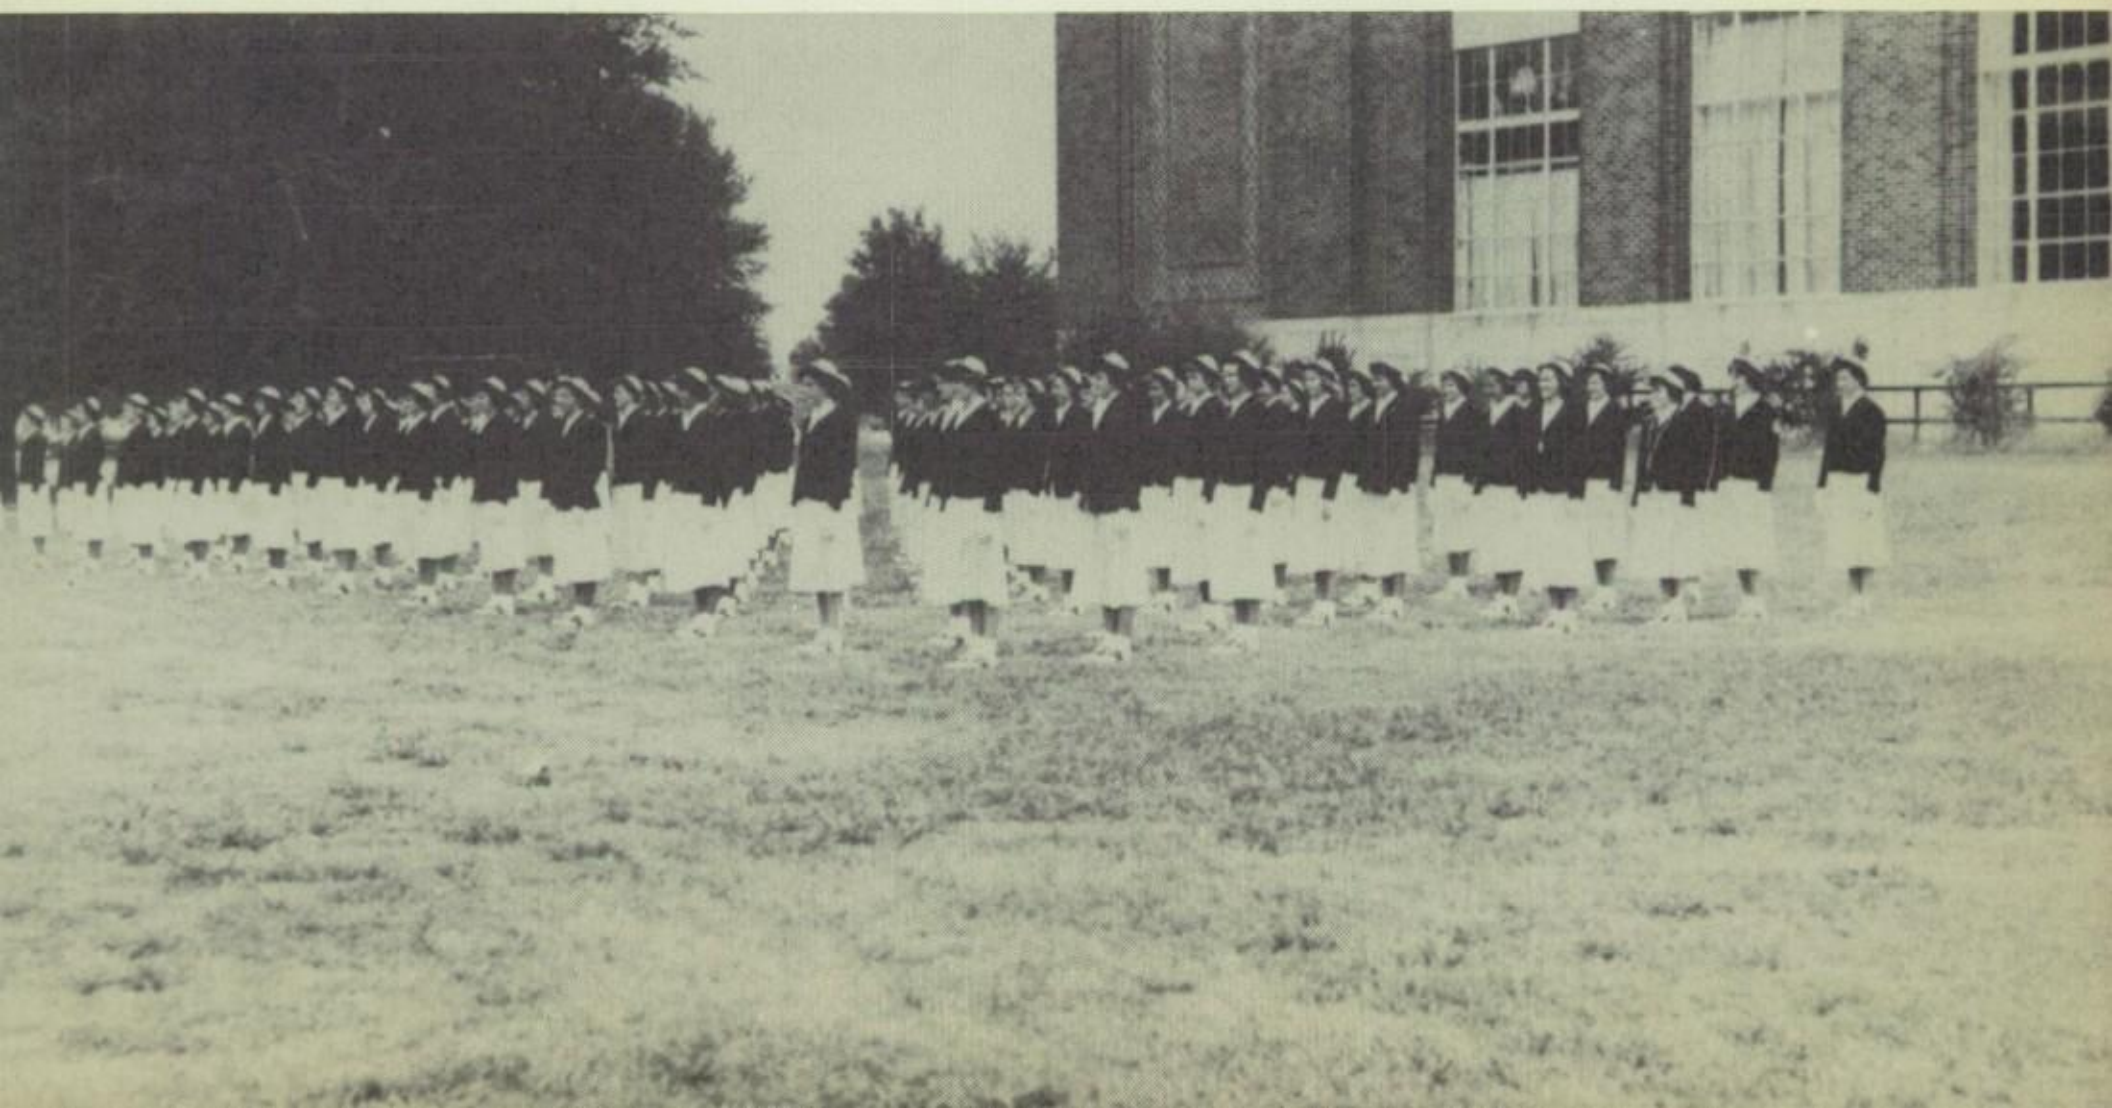

RETIREMENT . . . Julia Bess Williams, who is shown taking over as president of the Tigerettes, above, is again shown below as she nears the end of her high school career, and her tenure as organization president. Her emotion is plainly visible on her face as she is presented a bouquet of yellow flowers tied with black ribbon.

OFFICERS OF THE NEVILLE TIGERETTES—Standing, left to right: Fran Guthrie, Junior Commander; Martha Coon, Senior Commander; Pat Patterson, Senior Alternate Commander, and Annette Moak, Junior Alternate Commander. Seated: Virginia Cage, Treasurer; Julia Bess Williams, President; Louise Doernberg, Vice President, and Carol Cage, Secretary.

PRECISE FORMATION . . . The Tigerettes are noted for their marching ability, and ability to maintain precise formations on the drill field. The picture below demonstrates the beauty of perfect alignment.

Faculty . . .

The Classes . . .

Senior Officers

THE SENIOR CLASS OFFICERS led the senior class in all their activities throughout the year. These students are elected by their senior classmates. They are, left to right: Bill McRaney, Boys' Vice President; W. J. Haddad, Lawyer; Billye Faye Williams, Secretary; Pat Reitzell, Girls' Vice President; Ginger Blanks, Prophet; Marion "Pud" Huckaby, Treasurer; Julia Bess Williams, Historian; James "Skippy" Portman, President. Missing from the picture is Jo Ann Heinberg, Poet.

Senior Homeroom

ON THE LEFT is pictured Mr. D. W. Griffith, senior class sponsor. He is the guiding light for these students during their senior year.

BELOW IS A TYPICAL HOMEROOM scene. These senior students meet together each morning to plan their class activities. This particular morning the students were selecting their graduation invitations.

Seniors

FRED ALLEN

Band, F.B.L.A., Football, Radio Programs, Latin Club, Softball, Student Council, Track, Freshman Football.

PHILIP AMBROSE

Annual Staff, Band, Boys' State, F.B.L.A., Latin Club, Senior Advisory Committee, Spanish Club, All State Band.

GENE BARHAM

Baseball, Basketball, Boys' State, Senior Advisory Committee.

ROBERT BARNES

Latin Club.

SCOTTY MAXWELL

THE CREW . . . Without the help of the three student photographers, production of the 1954 Monroyan would have been severely handicapped. All pictures in the book are made and processed at Neville in the school darkroom by them.

Scotty Maxwell, who has earned the title of "CHIEF" by showing professional skill in his work, has been the mainstay in the production work. He is ably assisted by Frank Brookings, also a veteran of three years, and the darkroom freshman, Roger Dean.

MACK POWELL
Co-Captain

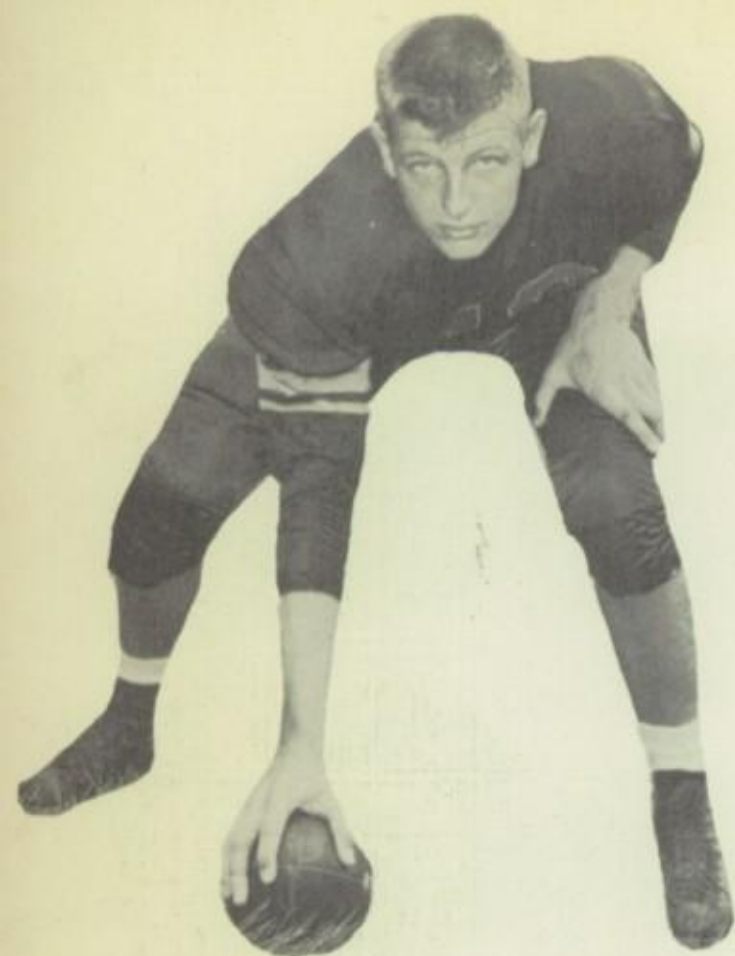

NEVILLE 7—BOLTON 0

Opening the 1953 season at home, the Tigers, in good condition after two weeks at Camp Windywood, outplayed, outfought and outcharged the Double-A Bears of Bolton.

Making 12 first downs to Bolton's one, the Tigers were sparked by hard-running Skippy Portman, Mack Powell, Jerry McWilliams and Mike Cage. Portman scored the only touchdown and Cage kicked the extra point.

Ed Johnson was alert on covering fumbles, along with strong defensive play from John Greer, Rod Statham, Carl Wilder, Mike Boggs and Fred Allen.

MIKE BOGGS
Tackle

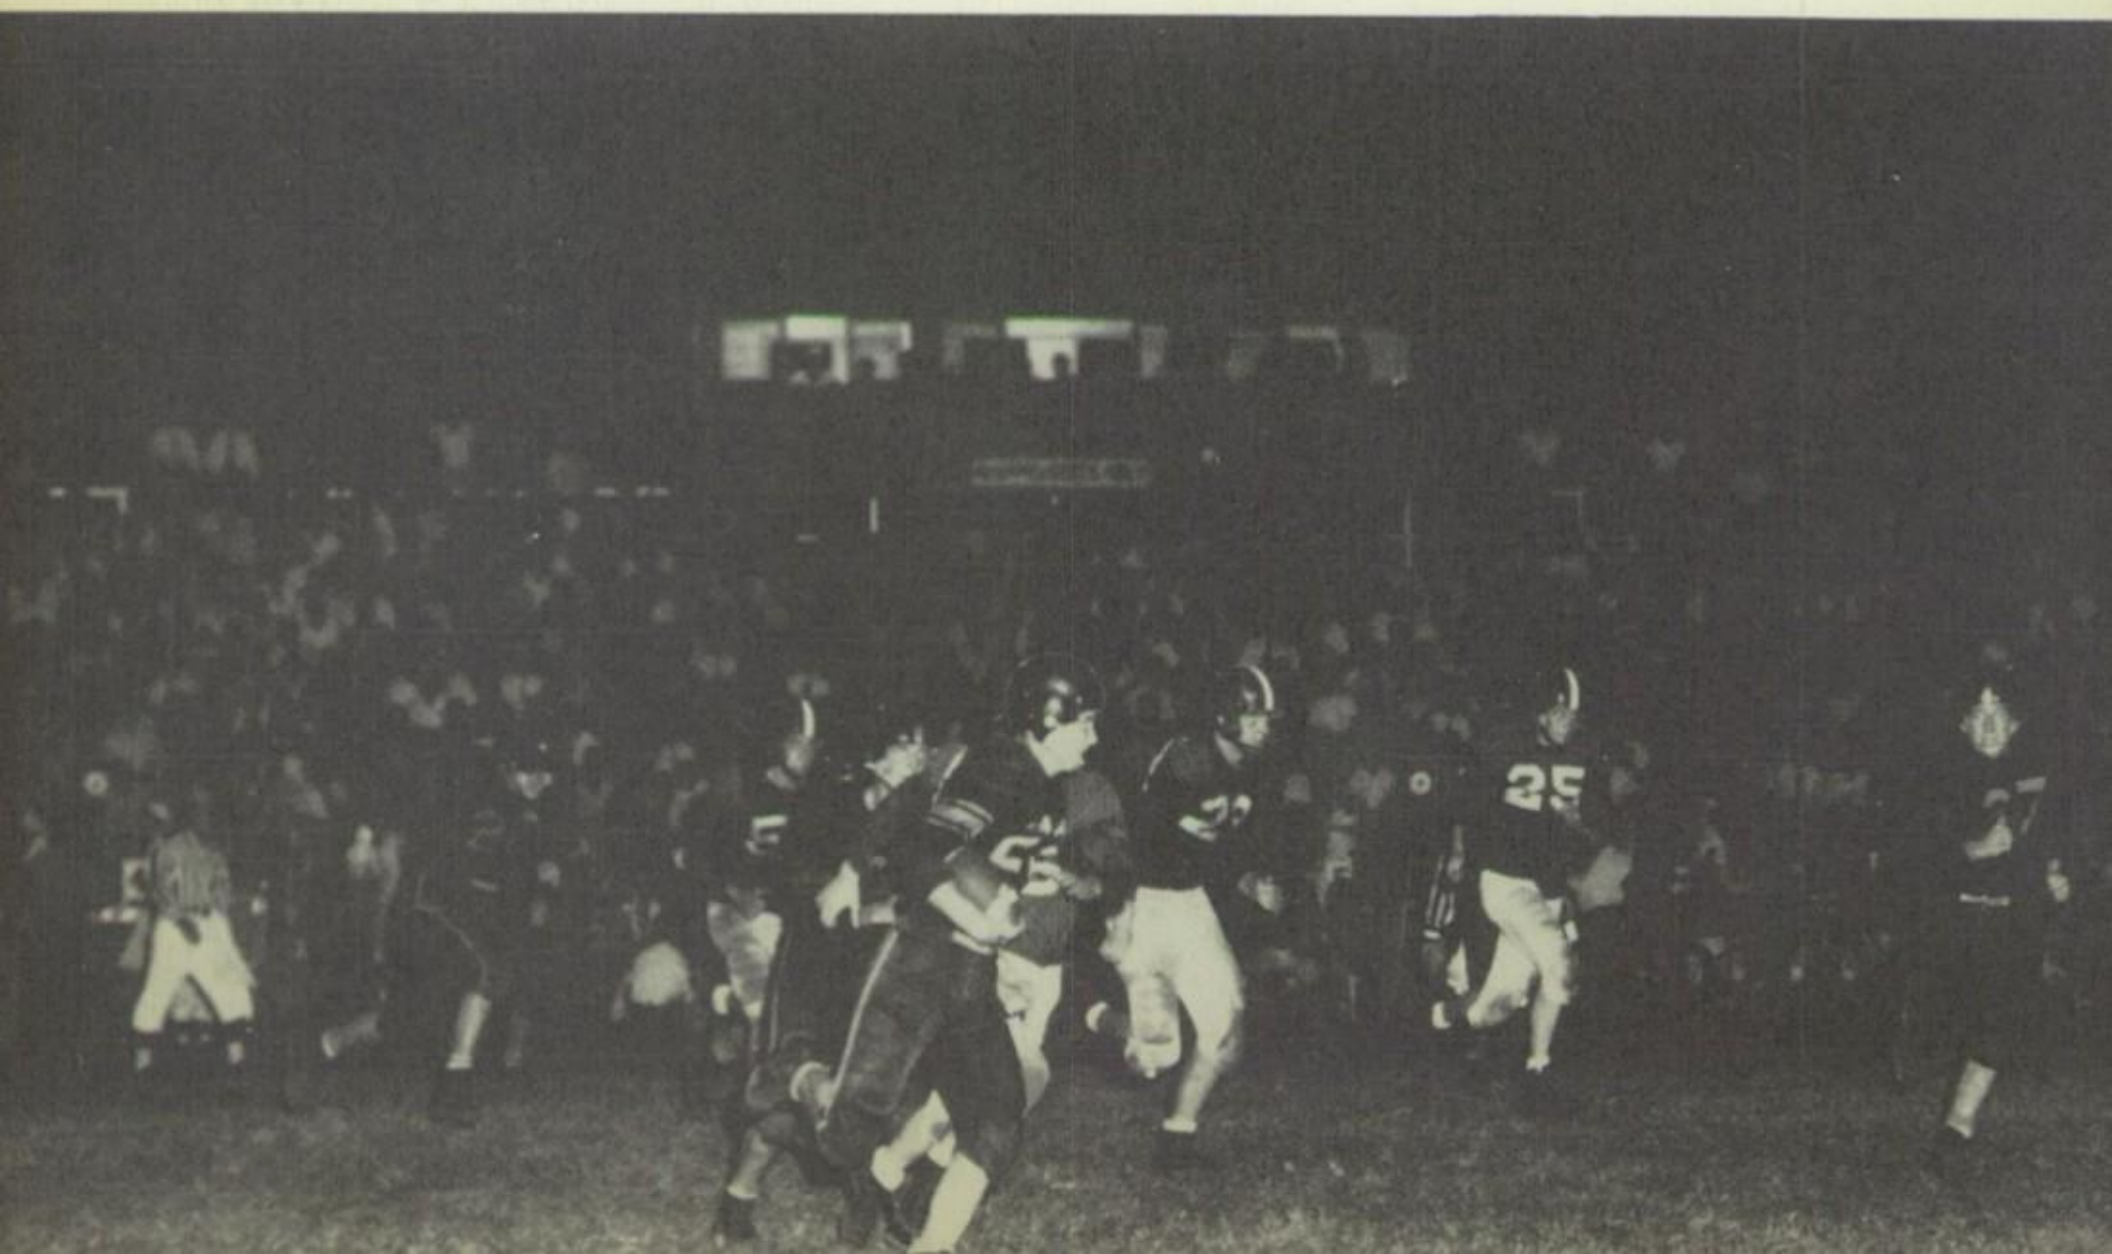

NEVILLE 12—MINDEN 7

Making the first road trip of the season, Neville defeated the powerful Crimson Tide in the most spectacular game played by Neville all season.

A McCready pass to Powell put Neville ahead, 6-0. But big Kenneth Beck drove his team ahead to lead 7-6 at the half.

A sustained drive for 91 yards put Neville out front in the third quarter. It was the hard driving of Powell, Cage, McWilliams, Lewis and Portman, with good blocking and tackling of Tom Boyles, Carl Wilder, Rod Statham, Mike Boggs, Fred Allen, C. W. Statham, John Greer, Sherwood Holmes, Ed Johnson and Robert Cudd. All this enabled the Tigers to defeat Minden, who went on to win their district title.

MIKE CAGE
Back

ED JOHNSON
Guard

NEVILLE 12—RAYVILLE 13

Returning to Neville Stadium against the fighting Hornets, after the Minden game, Neville had what is commonly known as a "flat" night.

Being completely outfought and outplayed by the hard-hitting Hornets, the Tigers trailed after a Brown pass to Walker. This put Rayville out in front, 7-0. Playing inspired ball in the third period, Jerry McWilliams and Mike Cage, behind some pretty downfield blocking, moved across the goal to trail, 7-6. Hendrix, Hornet Captain, intercepted a McCready pass and went all the way to lead, 13-6. In the last two minutes Powell, on two passes brought the score up to 13-12. The point was not made.

GERRY McWILLIAMS
Back

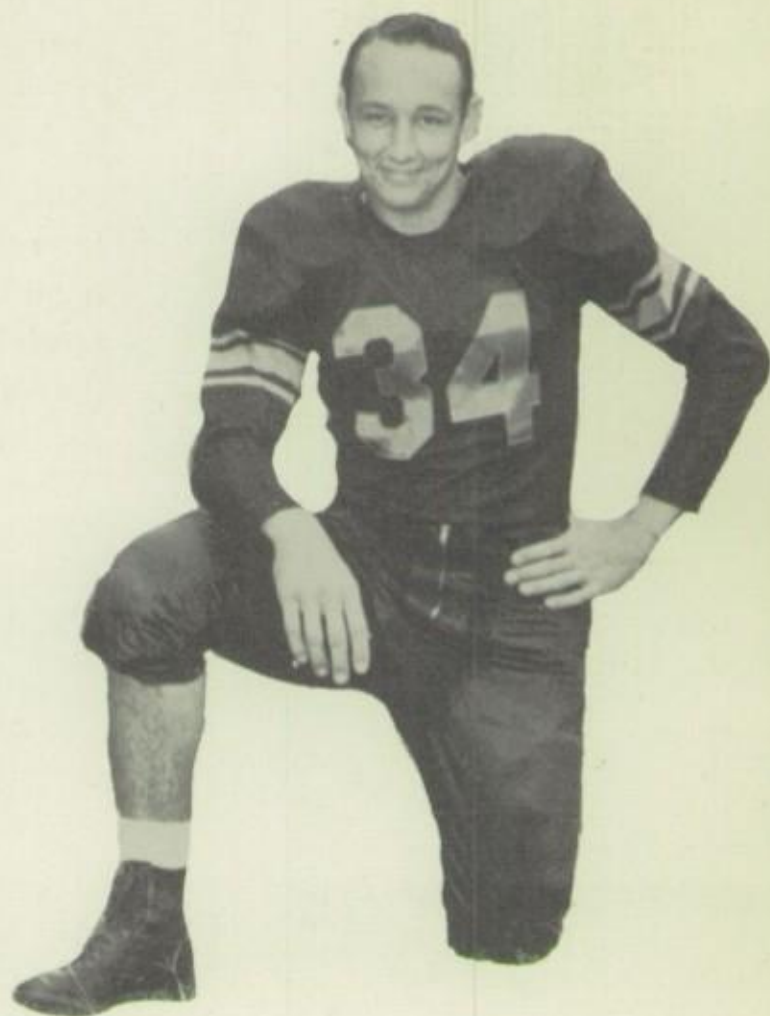

ALTON McCREADY
Back

NEVILLE 34—WEST MONROE 20

Playing the new "Rebels" of West Monroe at Brown Field, the spectators were treated to a widely scoring game. It was Mack Powell, Mike Cage and Jerry McWilliams driving out yardage and making tackle after tackle to stop the "Rebels." E. C. Roark, Jerry Brossett and David Powell were the "big guns" in the "Rebel" attack.

*Lots of fun
and the best of
everything in the
future. Alton*

ROD STATHAM
Guard

JOHNNY WENDELL
Back

NEVILLE 14—FARMERVILLE 12

With sickness and injuries slowing them up, the over-confident Tigers found rough sailing against coach James Tinsley's Farmers.

With Skippy Portman in the stands with a back injury and Jerry McWilliams on the bench with fever, the Tigers barely squeezed out a win with the educated toe of Mike Cage making the difference. McWilliams had to be called upon the last half although he was in no condition to play. Big Allen Curtis was the Farmerville star, going 80 yards for one touchdown.

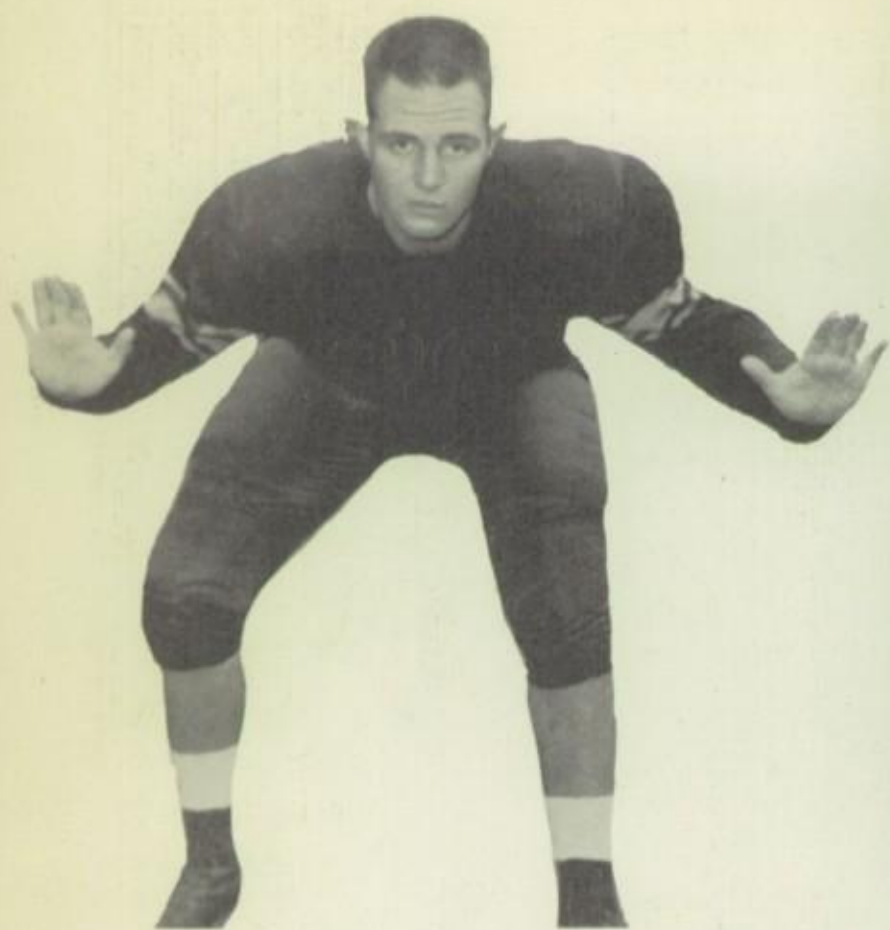

ROBERT CUDD
End

CARL WILDER
Guard

FRED ALLEN
Tackle

SPECK LEWIS
Back

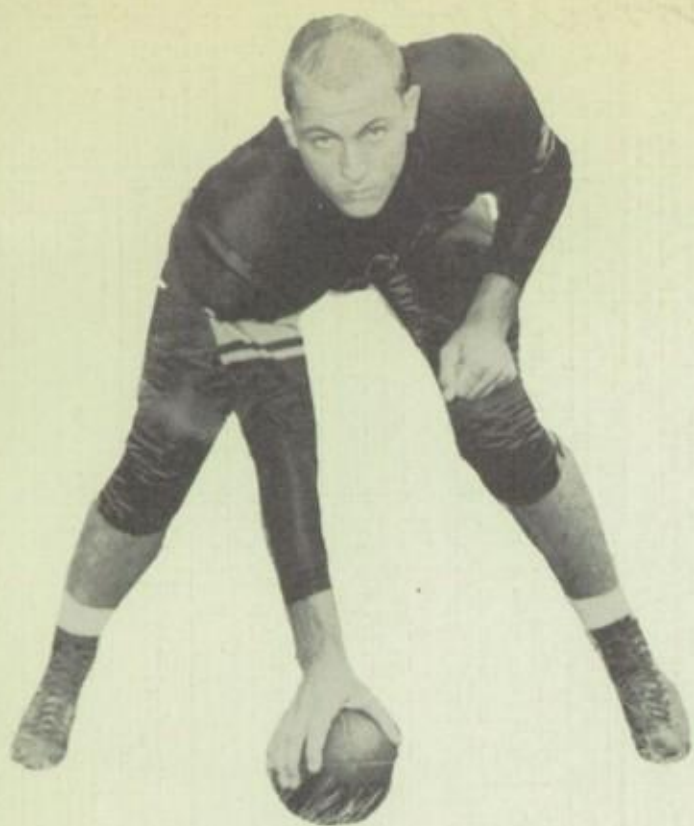

NEVILLE 6—RUSTON 13

Meeting the powerful Bearcats in Ruston, the Tigers were defeated by the Bill Smith-"Baby" Hinton led team. Neville's touchdown came on a long run by Spec Lewis and a plunge over from the two yard line by Jerry McWilliams.

Quarterback Alton McCready had his best night all season as he hit his receivers time after time with passes only to have them dropped. His faking and hiding the ball kept the Bearcats guessing but this wasn't enough to down the "Cats."

JOHN GREER
End

DICK SEILER
Center

NEVILLE 6—WINNSBORO 6

Playing shorthanded with sickness, injuries and ineligibility taking its toll, the Steve Thompson-led team were a thorn in the Tigers' side.

A blocked punt returned for a touchdown put Winnsboro ahead, 6 to 0. A bruising tackle by Mike Boggs forced Winnsboro to kick out from their own goal line. Mike Cage made a brilliant return to the Wildcat five where, on the next play, he scored and tied the game, 6-6. Cage's try for the point was blocked.

GEORGE BOYD
Back

The punt return of Cage and the driving of Mack Powell along with the defensive performance of Ed Johnson, Mike Boggs and Rod Statham enabled the Tigers to hold a tie with the Wildcats. Thompson was the outstanding back faced by Neville this season.

SHERWOOD HOLMES
Tackle

JERRY TORRANS
Back

NEVILLE 41—TALLULAH 7

Homecoming at Neville with the crowning of Queen Pat Patterson found the Tigers showing their claws for the first time since the Minden game.

Chalking up 18 first downs to Tallulah's four, the Tigers were sparked to their win by hard-running Jerry McWilliams, Mack Powell and Mike Cage. They divided

Best winner to a very nice girl.
Palmer

PALMER JARRELL
Tackle

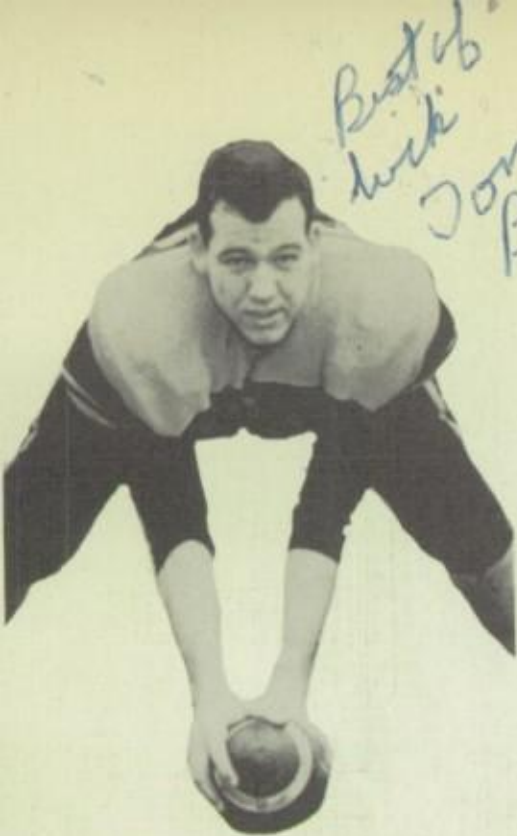

the scoring with substitute end Tom Causey who scored one touchdown on a 20-yard pass from Alton McCready. McWilliams kicked two extra points, McCready one, and Cage two.

A new "star" was discovered in Palmer Jarrell who stopped the Trojans cold. The blocking of guard Carl Wilder, was outstanding. The little 140-pound guard was blocking downfield on every play, being pushed for blocking honors by Mike Boggs.

C. W. STATHAM
End

*Best of
luck
Tommy
Boyles*

TOM BOYLES
Center

NEVILLE 13—JENA 7

Making their last road trip of the season, the Tigers led by Mike Cage, Jerry McWilliams, Mack Powell and Spec Lewis defeated a Neal Thompson led team, 13-7.

Jena scored early in the first quarter on a touchdown run by Don Andrews who also converted.

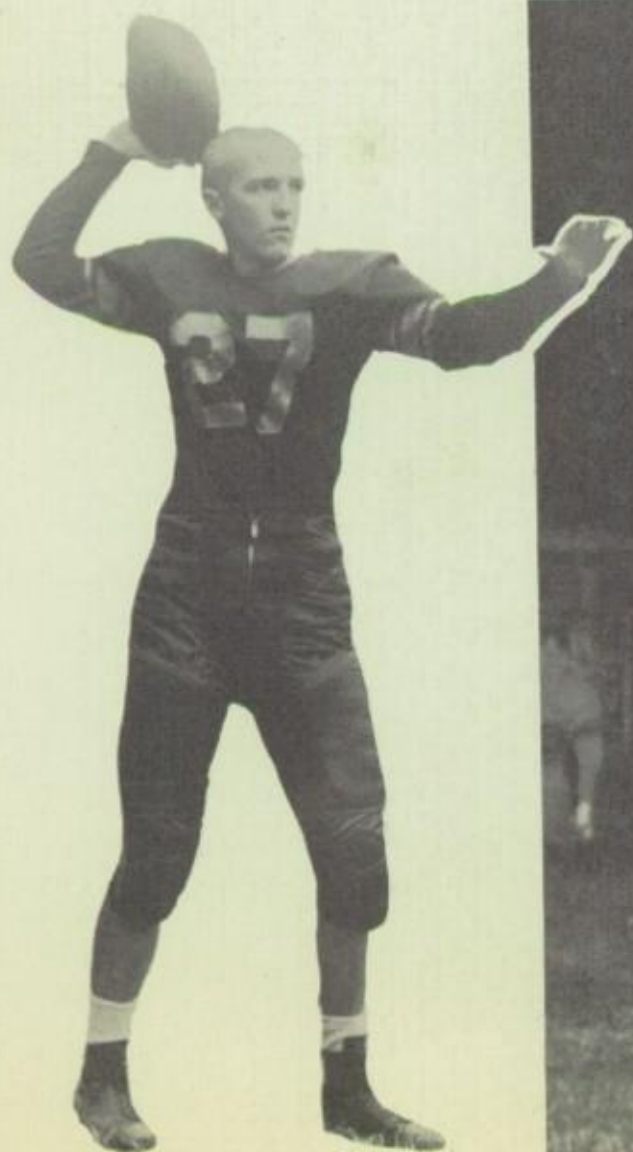

Powell, Lewis and McWilliams who by this time had earned the nickname of "Whirlpool" put on a drive. With the bruising power of a "Whirlpool," McWilliams scored. Cage missed the extra point. Jena led 7-6 at the half.

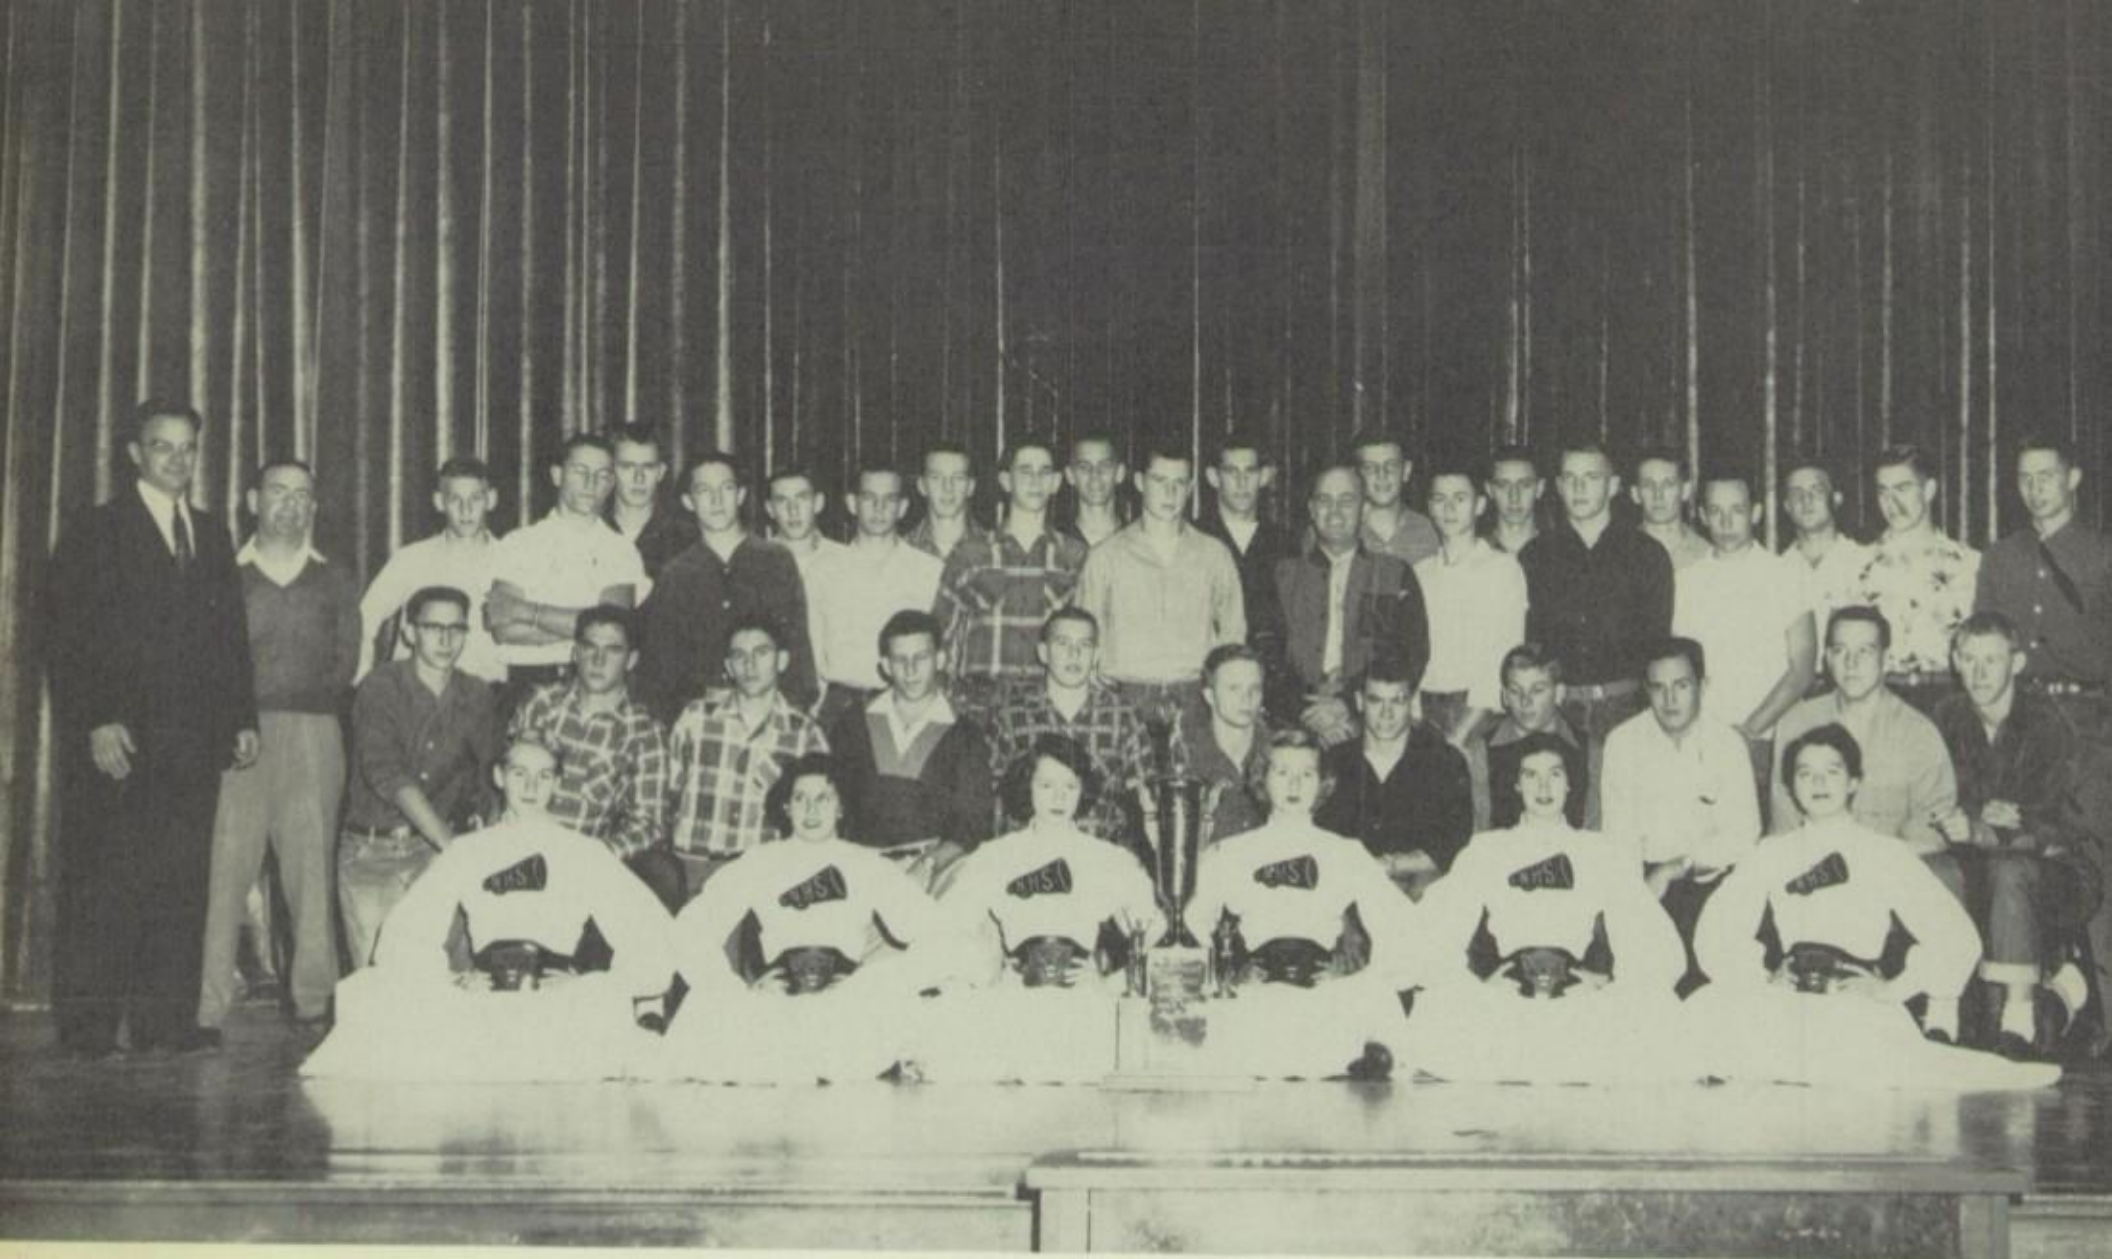

Jena threatened in the third quarter, but Neville's defensive team rose to its height as C. W. Statham, Palmer Jarrell, Mike Boggs, Sherwood Holmes, Rod Statham, Robert Cudd and Ed Johnson threw the Giants for loss after loss. In the fourth quarter, Cage broke loose for a 56 yard run for a T.D. The point was made by McWilliams, and the game ended, 13-7.

PAT ANDERSON
Guard

BILL KING
Back

The Tigers after the Ouachita Victory.

NEVILLE 13—OUACHITA 0

Meeting their cross-town rivals for the fourth time in the current series, the Tigers had 16 Seniors playing their final game for Neville High. With Skippy Portman, Neville captain, back in uniform after a back injury and John Greer returning to his end position, the Tigers were not to be denied.

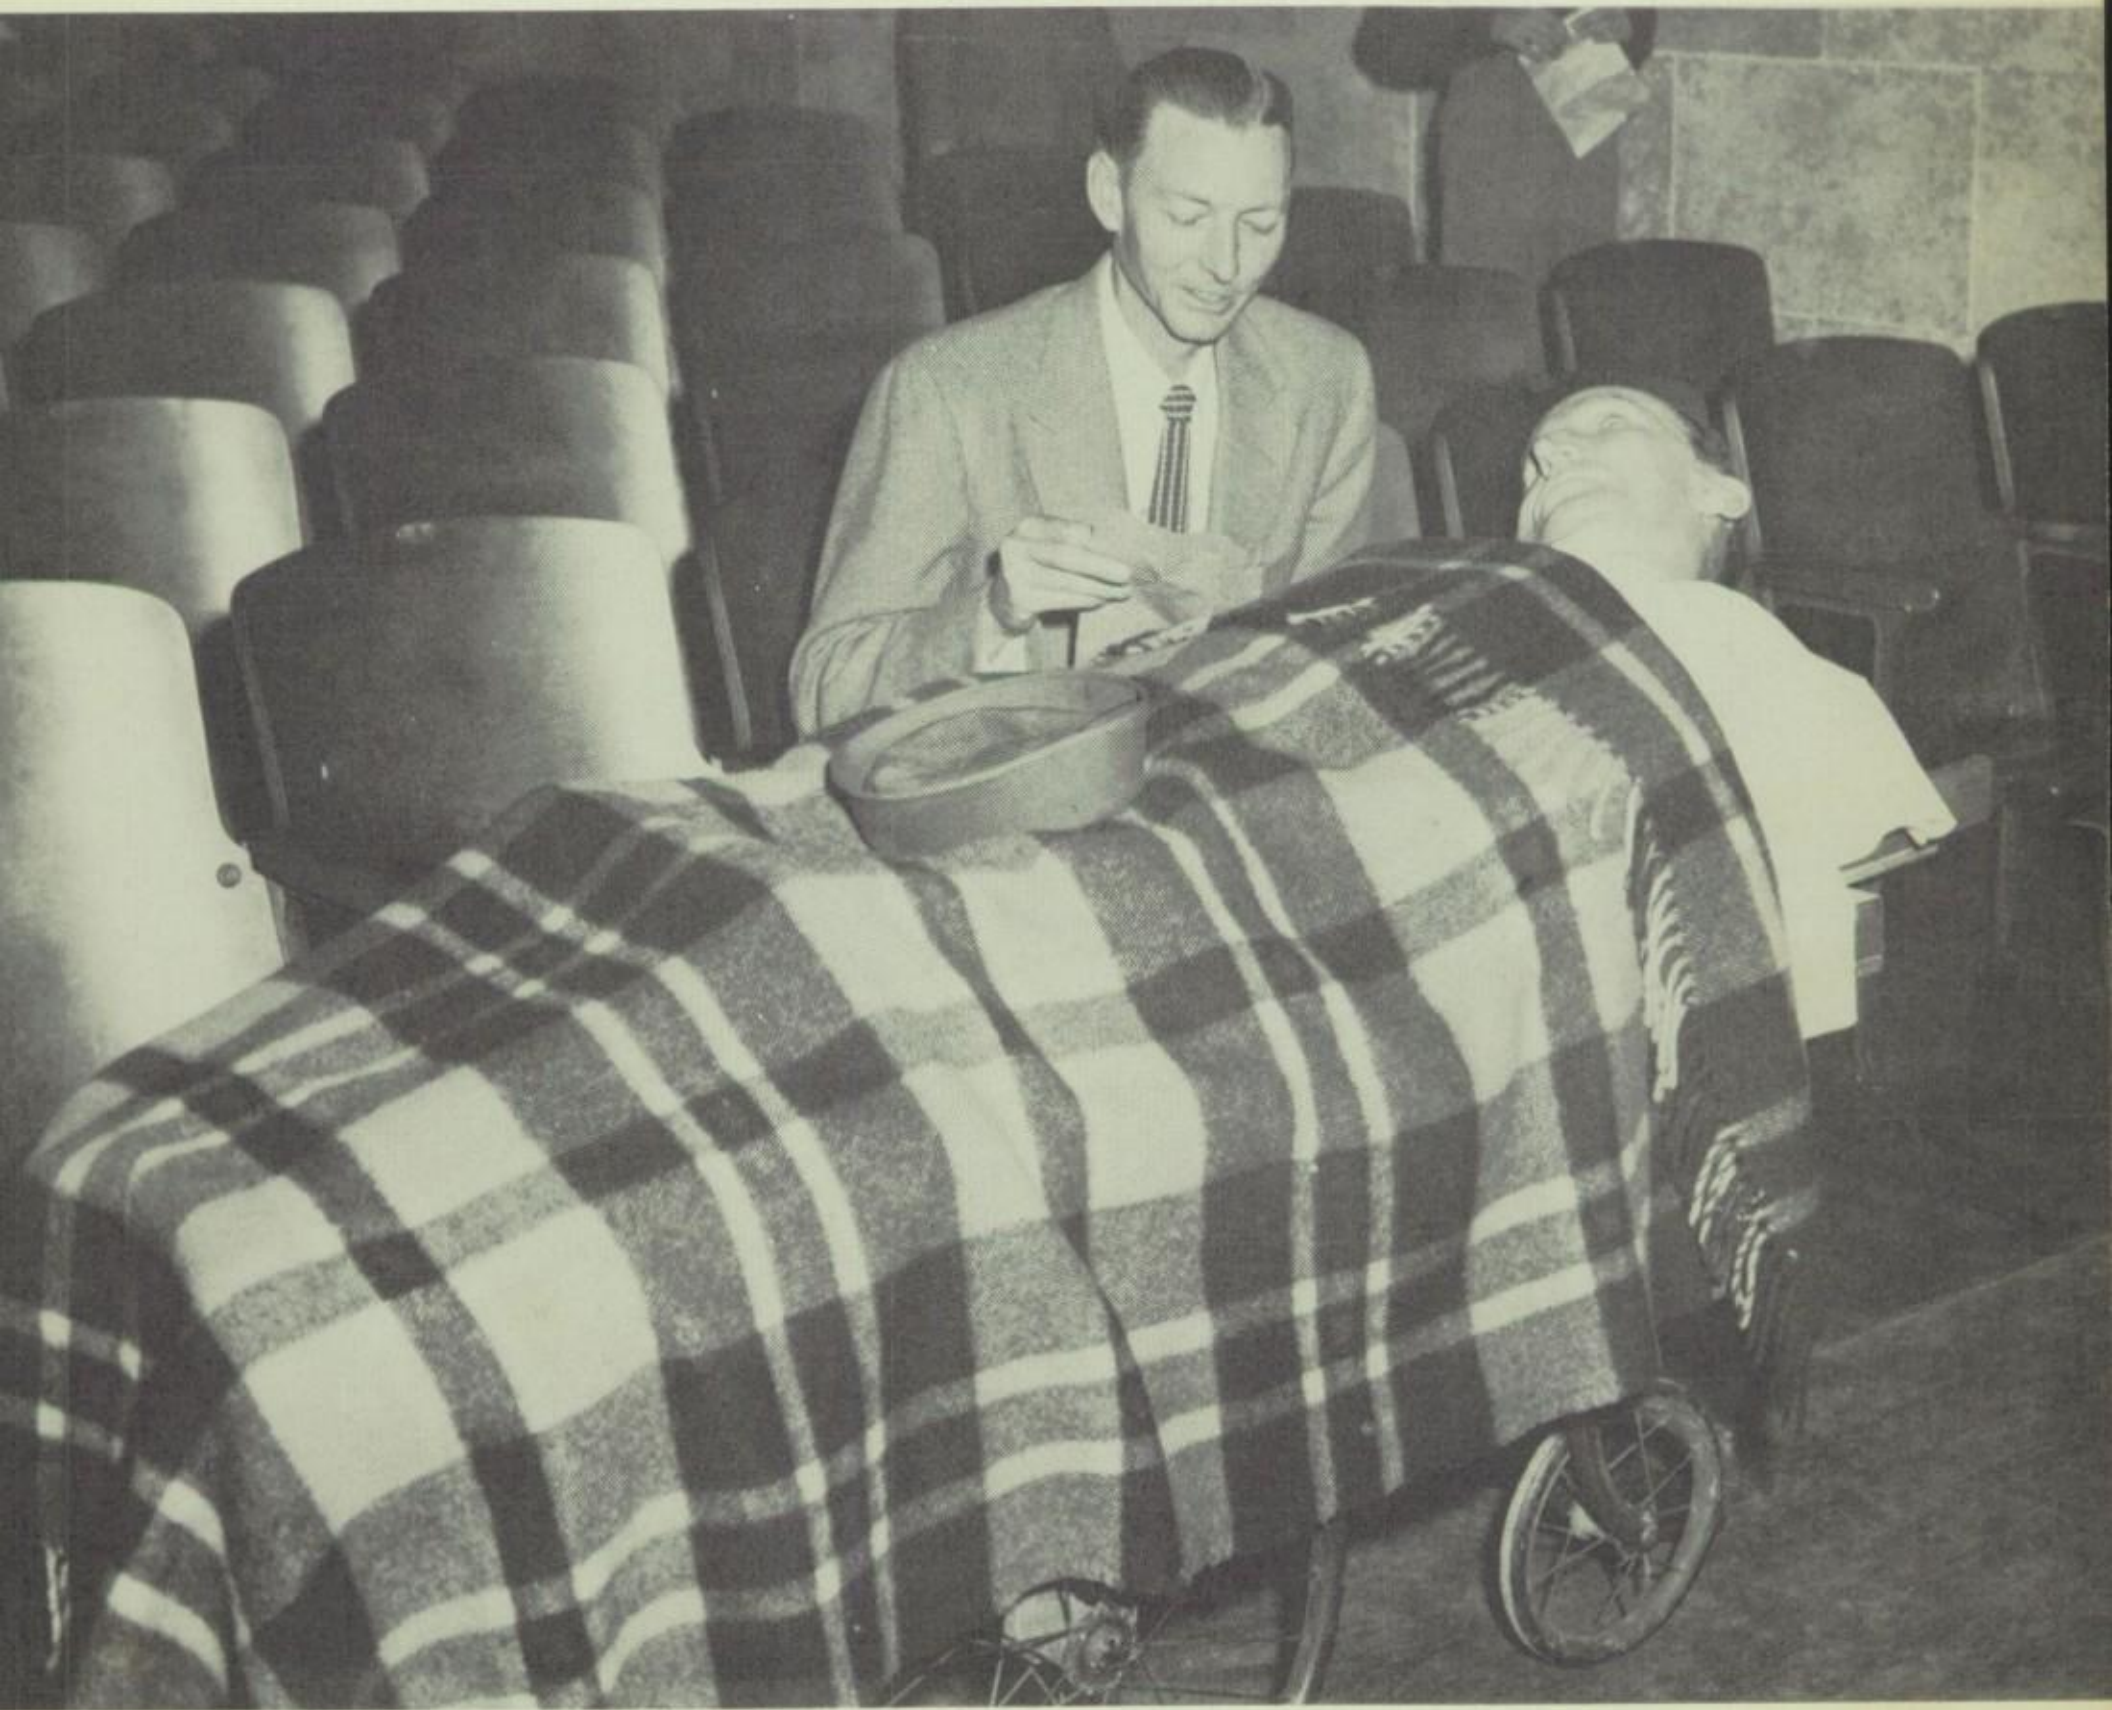

Skippy Portman scored from the five yard line on a pass from Alton McCready, who passed and handled the ball exceptionally well all night. Cage kicked the extra point.

It was "Whirlpool" McWilliams' greatest night as he fought and fumbled his way downfield to set up the second score. Mike Cage drove for the final score, going from 16 yards out.

It was a team victory for Neville. The line play of the entire forward wall was outstanding with John Greer, Palmer Jarrell, Fred Allen, Carl Wilder, Dick Seiler, Tom Boyles, Rod Statham, Johnny Wendel, Mike Boggs, Sherwood Holmes, Robert Cudd, and C. W. Statham stopping line drives cold time after time. The line-backers, McWilliams, Jerry Torrens and Mack Powell, were suffering with knee and back injuries that would have caused most boys to sit in the stands. John Greer, Ed Johnson, Mike Boggs, and Jerry McWilliams, played the greatest game of their career.

Whipping the Double-A Ouachita Lions for the third time in succession gave the underdog Class-A Tigers the Joe Guerriero city championship trophy. The Trophy is now retired and is peacefully resting in the Neville trophy case to be admired by all. The trophy is symbolic of the most spirited student body any school could ever have.

Resume of the 1953-54 Basketball Season

The 1953-54 BASKETBALL TEAM is one that will be remembered throughout the entire history of the school. The great Tiger team won thirty-four consecutive games, and hopes to win more during this season. They have played in four tournaments and have won all of them. The first tournament they played was at Weston. The next was the Ouachita tournament where, by beating Calhoun 55 to 53, they won the tournament. At Jonesboro, the great team again showed their talents as they won this tournament. The last tournament, again won by Neville, was the Neville tournament played here at Neville.

This great team will represent North Louisiana at the State Class "A" Tournament to be played at Lafayette March 4-6.

With the coaching of Buddy Bonnette, the Tiger team has brought to Neville the greatest record in games won consecutively. The only loss as the book went to press was to Ringgold on February 12.

Resume of 1953 Baseball Season

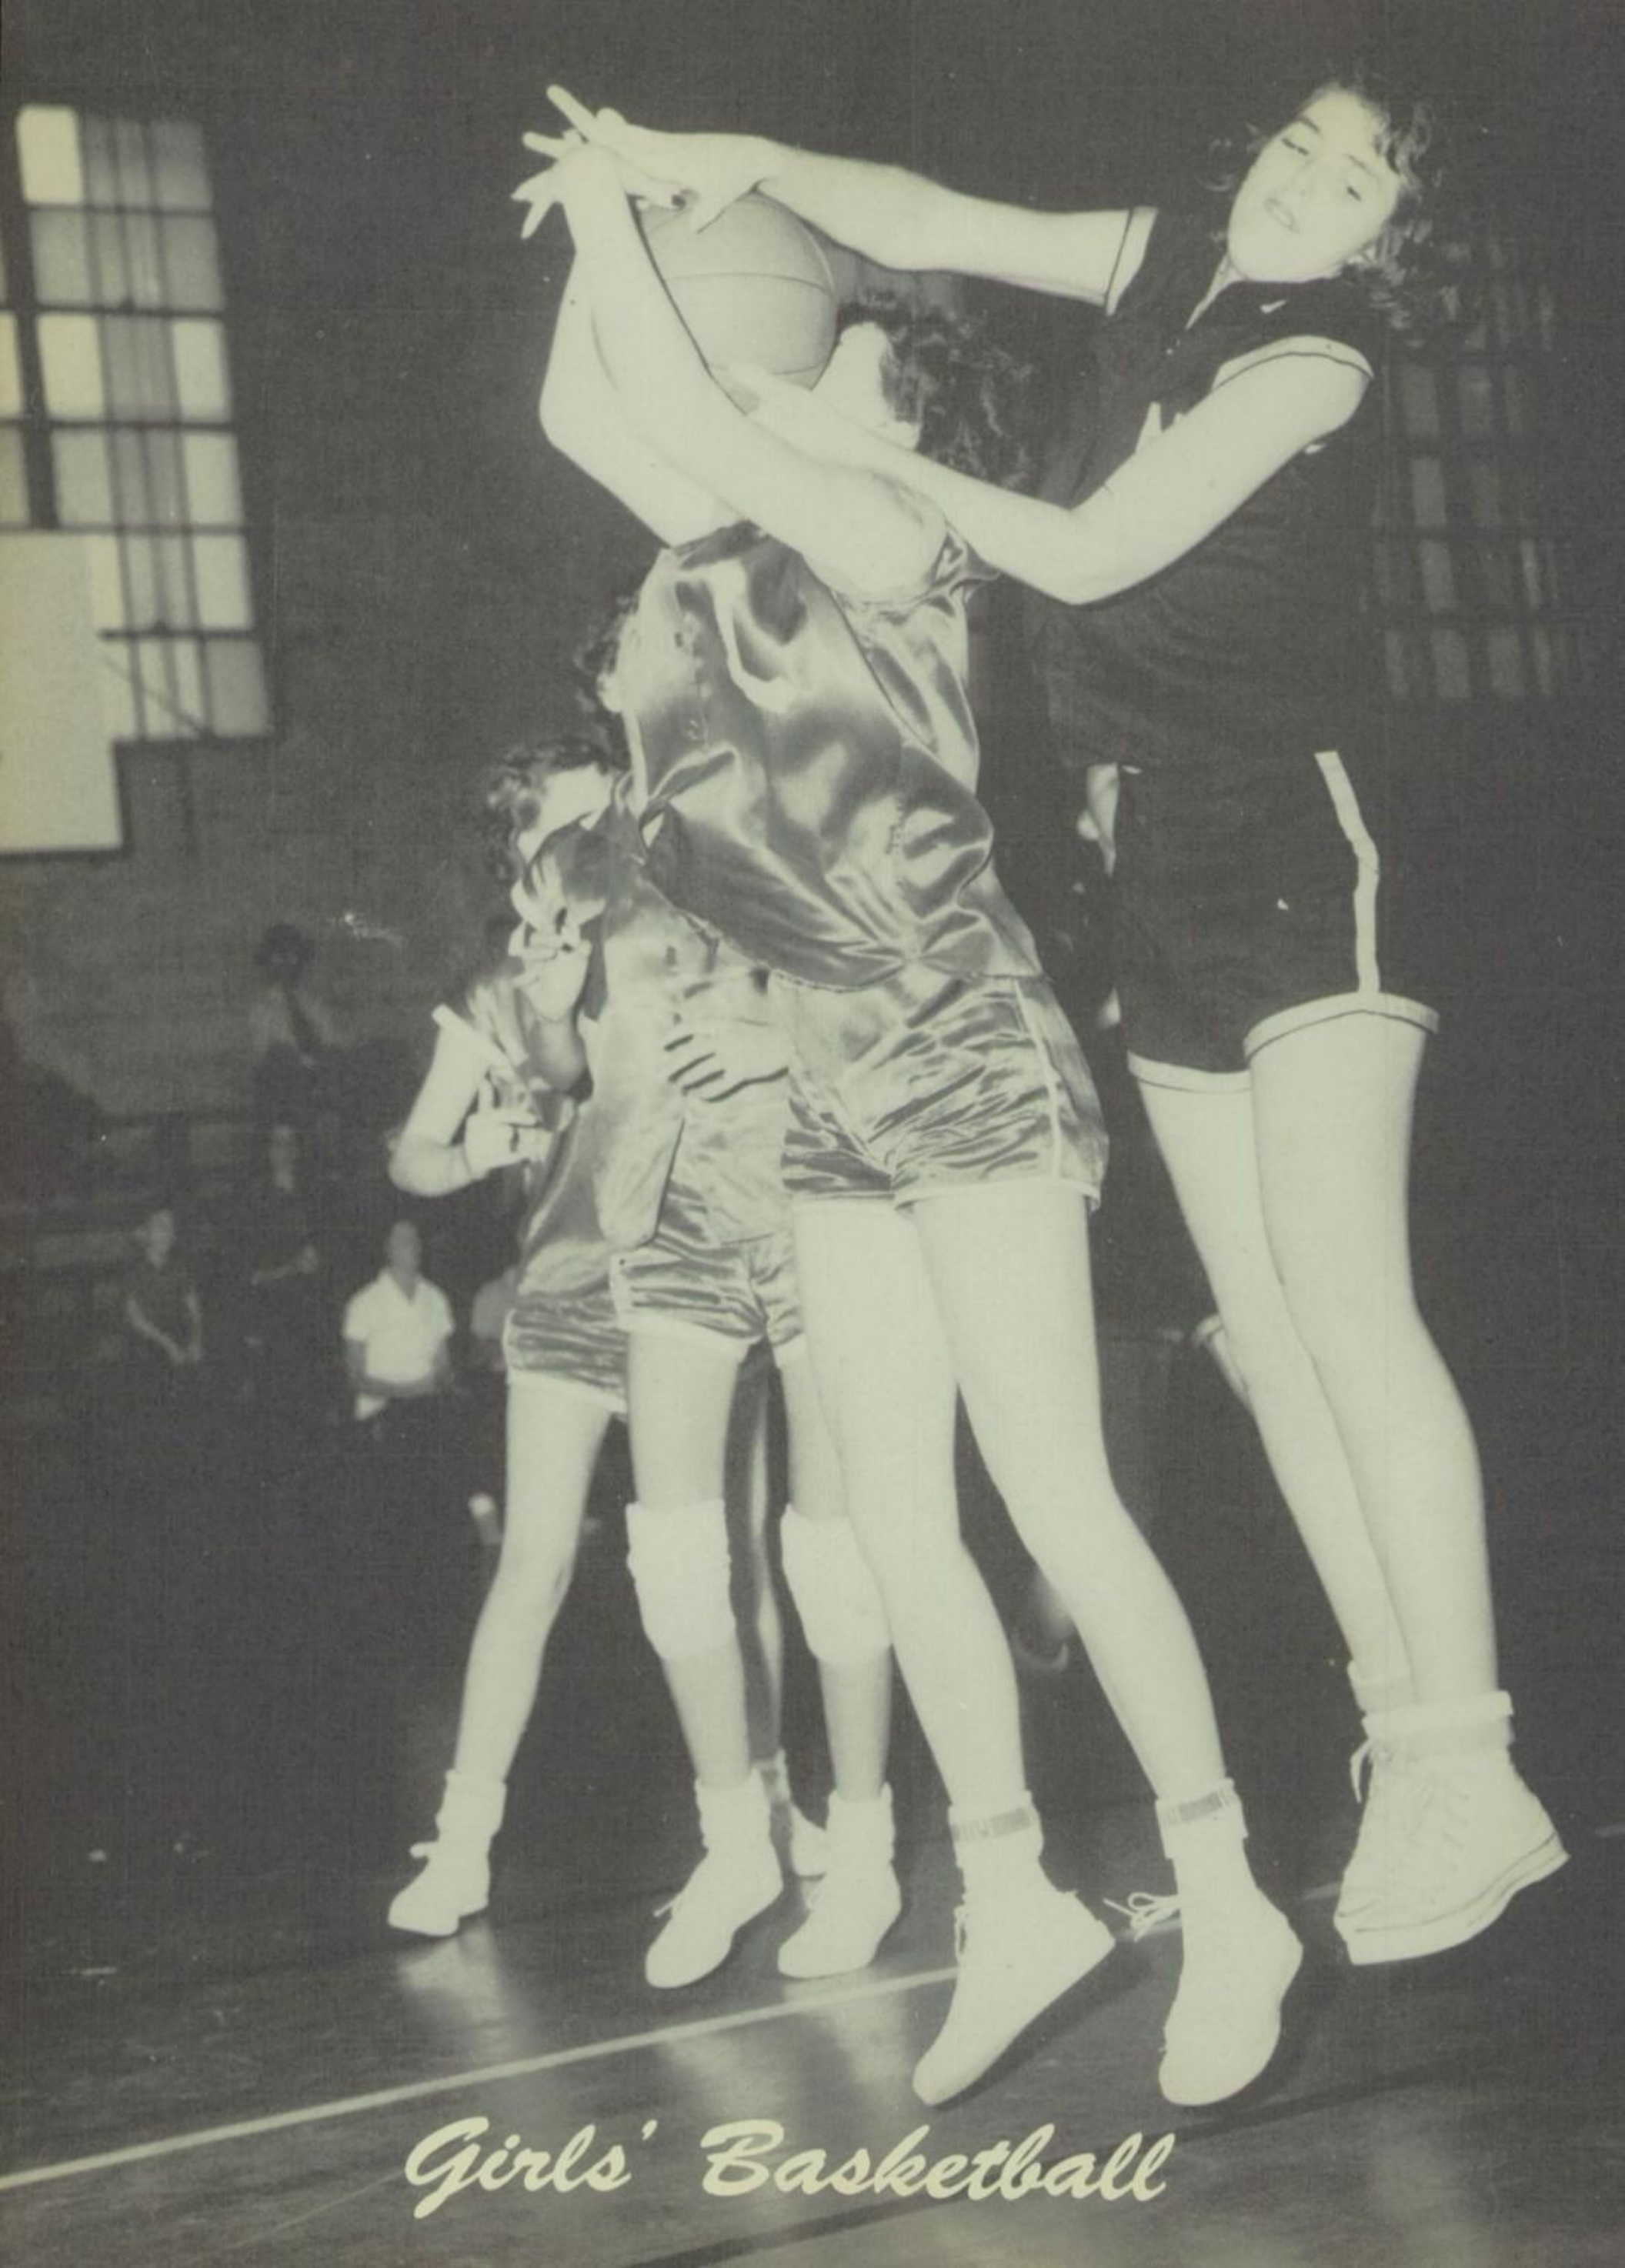

THE NEVILLE BASEBALL TEAM brought much fame to Neville by winning the 1953 class "A" baseball State Championship. At the state play-off they defeated Abbeville, Lutcher, Berhman, and Marrero.

The team won a total of twenty-three games and lost only one. The great pitching of Max Mays, Wayne Causey, "Red" Swanson and Gene Barham contributes to their winning.

The teamwork and "will to win" of Guy Gannaway, catcher; Fred Frickie, first base; Ray Rhymes, third base; Billy Hardy, shortstop; Jack Neal, left field; Larry Reeves, center field; Frank Scalia, right field, and Jerry LaPrarie, second base, brought the Tigers a successful season.

The coaches of this proud team were Jim Coats and Bob Meador.

Five players left the team in June not to return. They are Ray Rhymes, Jackie Neal, Guy Gannaway, Max Mayes and Frank Scalia.

TO YOU . . . OUR LEADERS-TO-BE

In the not-too-distant future, many of you will be leaders in your communities—in society, church, business, government. This leadership will be a distinct honor and a challenge to your intelligence and ability.

But, don't forget that leadership also brings an important obligation: FAIR CONSIDERATION AND REPRESENTATION FOR THOSE YOU LEAD. Only if you succeed in this can our nation continue to lead the world as a land of freedom for all of us.

OUR CONGRATULATIONS and
BEST WISHES TO THE CLASS OF 1954!

Monroyan

INTRODUCTORY SECTION—Ashley Hamilton and Julia Bess Williams were in charge of this area of production. They also aided in the final completion of the book by writing needed copy and proof-reading.

So many people have contributed a share to production of this book that it is impossible to picture them all, or even to name them. Those who have contributed the most work, and the greatest amount of time are shown here on these two pages.

Jane Worthen was snapshots custodian during the time the staff was collecting pictures for that section. Neville students, however, have not been overly generous in supplying the pictures necessary to make a larger section possible.

ADVERTISING—Fran Guthrie did a remarkable job of drawing up all advertising copy and selling much of it. The life-blood of annual production is in its advertising, and Fran contributed much toward making the Monroyan possible.

Staff

We do not even have enough space to list the names of the many people who have contributed the time and effort to sell the yearbooks and the individual pictures this year. Nor can we name all of those who aided in selling the advertising.

Practically every member of the senior and junior classes has contributed some small part to the book. The nucleus working staff could not have produced a book without the cooperation of every one of them.

CLASS SECTION—The most tedious and difficult job on the staff was done by the efforts of Betty Peden, Maurine Knight and Barbara Farmar, above. "Snuggie" Burnett also contributed an important helping-hand in this section.

SPORTS—Mike Boggs, Pat Ruple and Ed Johnson teamed up to do the entire sports section of the book, which in itself, comprises a large portion of the entire job.

Again, we have to stop and mention the fact that all of the pictures, with the exception of the class section head-shots, were done in the school darkroom by Scotty Maxwell, Frank Brookings and Roger Dean.

Just for the record, members of the staff will not see this page until the annual is published. It has been a good group with which to work, and all of them have done a good job in making the 1954 *Monroyan* possible.

Thanks.
